been primarily driven by the entrepreneurial actions of a few SAS commanding officers Special Force not only offers a revelatory history of the SAS in the modern period it is also a disturbing expose of the truth behind the myth It will be essential reading for anyone with an interest in the British military past present and future *Bulletin of the Salem Public Library* Salem Public Library,1899 **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1906 *Scientific American* ,1897 Monthly magazine devoted to topics of general scientific interest **The Bulletin** New York (State).
