Rapid Assessments John Dorney,Rick Savage,Ralph W Tiner,Paul Adamus,2018-08-07 **Wetland and Stream Rapid**
Assessments Development Validation and Application describes the scientific and environmental policy background for rapid
wetland and stream assessments how such assessment methods are developed and statistically verified and how they can be
used in environmental decision making including wetland and stream permitting In addition it provides several case studies
of method development and use in various parts of the world Readers will find guidance on developing and testing such
methods along with examples of how these methods have been used in various programs across North America Rapid
wetland and stream functional assessments are becoming frequently used methods in federal state and local environmental
permitting programs in North America Many governments are interested in developing new methods or improving existing
methods for their own jurisdictions This book provides an ideal guide to these initiatives Offers guidance for the use and
evaluation of rapid assessments to developers and users of these methods as well as students of wetland and stream quality
Contains contributions from sources who are successful in academia industry and government bringing credibility and
relevance to the content Includes a statistically based approach to testing the validity of the rapid method which is very
important to the usefulness and defensibility of assessment methods **Index to the English Catalogue of Books ...**
,1876 **The Publishers' Circular and Booksellers' Record** ,1925 Power Without Constraint Chris
Edelson,2016-05-11 As a presidential candidate Barack Obama criticized the George W Bush administration for its
unrestrained actions in matters of national security In secret Justice Department memos President Bush s officials had
claimed for the executive branch total authority to use military force in response to threats of terrorism They set aside laws
made by Congress even criminal laws prohibiting torture and warrantless surveillance Candidate Obama promised to restore
the rule of law and make a clean break with the Bush approach President Obama has not done so Why In a thorough
comparison of the Bush and Obama administrations national security policies Chris Edelson demonstrates that President
Obama and his officials have used softer rhetoric and toned down legal arguments but in key areas military action
surveillance and state secrets they have simply found new ways to assert power without meaningful constitutional or
statutory constraints Edelson contends that this legacy of the two immediately post 9 11 presidencies raises crucial questions
for future presidents Congress the courts and American citizens Where is the political will to restore a balance of powers

among branches of government and adherence to the rule of law What are the limits of authority regarding presidential national security power Have national security concerns created a permanent shift to unconstrained presidential power
