Things I Have Withheld Kei Miller,2021-09-14 Fourteen thoughtful and impassioned autobiographical essays exploring race sex gender belonging and alienation by an award winning author Kirkus Reviews In a deeply moving critical and lyrical collection of interconnected essays award winning writer Kei Miller explores the silences in which so many important things are kept Miller examines the experience of discrimination through this silence and what it means to breach it to risk words to risk truth and through the body and the histories those bodies inherit the crimes that haunt them and how the meanings of our bodies can shift as we move through the world variously assuming privilege or victimhood Through letters to James Baldwin encounters with Soca Carnival family secrets love affairs questions of aesthetics and more Miller powerfully and imaginatively recounts everyday acts of racism and prejudice from a black male queer perspective An almost disarmingly personal collection Kei dissects his experiences in Jamaica and Britain working as an artist and intellectual making friends and lovers discovering the possibilities of music and dance literary criticism culture and storytelling With both the epigrammatic concision and conversational cadence of his poetry and novels *Things I Have Withheld* is a great artistic achievement a work of innovation and beauty which challenges us to interrogate what seems unsayable and why our actions defense mechanisms imaginations and interactions and those of the world around us Praise for *Things I Have Withheld* Shortlisted for the Baillie Gifford Prize for Nonfiction BOMB Magazine s Editor s Choice Best Book of 2021 at Slate and Buzzfeed Times UK 16 best philosophy and ideas books 2021 Miller gives a searing voice to the things I have been trying so hard to write in this entrancing collection Sharp as blades Miller s words cut to the core Publishers Weekly starred review There s no didacticism or sermons here merely curiosity and sometimes anger and a deep commitment to speaking the uncomfortable truths we d rather not hear A bold and daring collection Buzzfeed This incisive collection of short essays serves as a tabernacle for stories untold secrets and reflections on race and sexuality Immediately arresting and consistently poignant Miller s essays engage with the urgency of gripping fiction and the authenticity of stunning poetry An important voice of the Caribbean who should be read together with the likes of Safiya Sinclair Oonya Kempadoo and Colin Channer Booklist [Libertarian Alternative](#) Chris Berg,2016-05-02 Libertarianism the philosophy of government that pairs free market economics with social liberalism presents a vigorous and viable political alternative to the old Left Right partisan shouting match Libertarianism offers surprising new solutions to stagnant policy debates over issues such as immigration and civil rights and provides a framework for tackling contemporary problems like privacy the environment and technological change In *The Libertarian Alternative* Chris Berg offers a new agenda for restoring individual liberty in Australia revitalising politics and strengthening our sagging economy **Trespassing Through Life** Kat Gabriel,2016-03 In the world of high stakes horse racing among wealthy patrons in the Middle East Petra Friedland has a demanding and exciting career but feels

her personal life is short changed Time is ticking away and Petra is haunted by failed relationships and the prospect of a bleak future A hot but complicated affair with a younger man awakens a long forgotten passion for life within Petra compelling her to choose whether to risk the stability she has fought so hard to achieve in order to search for the happy equilibrium she yearns for She makes a plan but questions how far is she willing to go balancing the emotional material and physical costs to achieve happiness and fulfilment Will new adventures bring satisfaction or will the past catch up to destroy Petra s efforts to build a new life *Trespassing Through Life* offers a glimpse into contrasting cultures illustrated within the exotic and titillating world of equestrianism thoroughbred racing and international travel *The Petro-state Masquerade* Ryan Cecil Jobson,2024-12-04 A historical and ethnographic study of the fraught relationship between fossil fuels and political power in Trinidad and Tobago Examining the past present and future of Trinidad and Tobago s oil and gas industries anthropologist Ryan Cecil Jobson traces how a model of governance fashioned during prior oil booms is imperiled by declining fossil fuel production and a loss of state control Despite the twin island nation s increasingly volatile and vulnerable financial condition however government officials continue to promote it as a land of inexhaustible resources and potentially limitless profits The result is what Jobson calls a masquerade of permanence whereby Trinbagonian state actors represent the nation as an interminable reserve of hydrocarbons primed for multinational investment In *The Petro state Masquerade* Jobson examines the gulf between this narrative crafted by the postcolonial state and the vexed realities of its dwindling petroleum fueled aspirations After more than a century of commercial oil production Trinidad and Tobago instructs us to regard the petro state as less a permanent form than a fragile relation between fossil fuels and sovereign authority Foregrounding the concurrent masquerades of oil workers activists and Carnival revelers Jobson argues that the promise of decolonization lies in the disarticulation of natural resources capital and political power by ordinary people in the Caribbean
