charging of any kind of interest This will be contrasted with the impact of interest and debt financing in the contemporary non Islamic economies arguing that debt financing of businesses promotes greater rates of bankruptcy over the business cycle and that the charging of interest on loans for current consumption purposes will over time increase inequality and inequitable concentration of wealth in societies where it is practised It will also be shown how in a system without predetermined interest charges problems of exponentially exploding government debt could largely and neatly be avoided by linking bondholder rewards to levels of fiscal proceeds of states This book will be of significant interest to readers in ethics moral philosophy and political economy as well as to policymakers and thinkers grappling with issues around debt burdens public and private inequality and fairness *Christianity Today*, 1990 **NIV, Holy Bible, Larger Print, Economy Edition, Paperback, Teal/Tan, Comfort Print**, 2024-07-30 A low cost outreach Bible with added features in a readable 9 9 print size The NIV Holy Bible Larger Print is a great witness tool to give to first time Bible readers looking to discover God s Word You can feel comfortable and confident handing this Bible to anyone interested in spiritual issues or open to talking about God Includes added helps for a deeper understanding of the Bible making it ideal for churches and ministries buying Bibles in bulk Features include Full text of the accurate readable and clear New International Version NIV Selection of Old Testament and New Testament maps Getting to Know God A step by step path of salvation About the Bible Answers questions about what the Bible is how it was written and how it came to us Promises from the Bible Scripture passages on 20 difficult yet common emotions experienced by Christians 30 Days for Beginning Your Walk with Christ reading plan that gives an overview of the Bible and God s love for his people Perspectives from the Bible Scripture passages on 30 common situations experienced by Christians 30 Days with Jesus reading plan that covers the life death and resurrection of Jesus Double column format Exclusive Zondervan NIV Comfort Print typeface for a smooth reading experience Print size 9 9 New International Version NIV is the world s bestselling modern English Bible translation accurate readable and clear yet rich with the detail found in the original languages The NIV is the result of over 50 years of work by the Committee on Bible Translation who oversee the efforts of many contributing scholars Representing the spectrum of evangelicalism the translators come from a wide range of denominations and various countries and continually review new research to ensure the NIV remains at the forefront of accessibility relevance and authority Every NIV Bible that is purchased helps Biblica translate and give Bibles to people in need around the world *The theory of the kingdom: A unified model of human agency* Andrew Root, 2024-01-02 This original monograph presents a comprehensive theory regarding the economy of the kingdom of God The theory and associated model will help individuals make better choices The research integrates fundamentals of the temporal real economy and the permanent economy of the kingdom of God to present a unified model of human agency According to the model effective agents are salt and light in the real economy arresting corruption and revealing the truth Effective agency produces life peace and growth Individual and organizational practices that arrest corruption and reveal truth can resolve
