Fatal Charge at Gallipoli John Hamilton, 2015-04-30 Armed only with rifles bayonets and raw courage the men of the 3rd Light Horse Brigade left the shelter of their rocky trenches to storm The Nek a narrow stretch of ridge held by the Ottoman Turks The first wave of attackers were cut down almost as soon as they stood up Those that followed knew they were going to die Yet they too charged without question stumbling over the bodies of their fallen comrades before they also fell The commander of the 10th Light Horse Regiment attempted to have the third wave cancelled claiming that the whole thing was nothing but bloody murder but he could not convince the Brigade Major Using the letters and diaries of those who fought and died in this famously futile action award winning journalist and best selling author John Hamilton takes the reader on a journey from the rush to recruit in August 1914 when war was declared through the training camps to the unforgiving terrain of Gallipoli and the unbending Turkish defenders and finally to that fateful morning and that fatal charge Part of a trilogy by John Hamilton this title was first published in 2004 by Pan Macmillan Australia only being sold in the Australian and New Zealand markets under the title Goodbye Cobber God Bless You The Fatal Charge of the Light Horse Gallipoli August 7th 1915 *Finding the Fallen* Andy Saunders, 2011-12-27 The author of Finding the Few presents more stories of lost airmen and the dedicated detective work done to find them Mysteries involving missing aircrew span almost the entire twentieth century Starting with a reappraisal of the famed story of pilot Edward Mick Mannock the author of this book highlights the fates of RAF USAF and Luftwaffe personnel from bomber reconnaissance and fighter crews Each case is examined with a microscopic and forensic approach worthy of a CSI episode and evaluates the detective work involved in unraveling these long unsolved disappearances of lost airmen In many cases there is a satisfactory conclusion in which family members can

feel some closure while in others question marks are left hanging over These fascinating stories remind us of the heroic ongoing efforts to truly live up to the phrase no man left behind Includes photos **No Known Grave** Maureen Jennings,2014-10-21 From the well known author whose books inspired the wildly popular Murdoch Mysteries TV series comes the third WWII era DI Tom Tyler mystery for fans of Foyle s War wartime dramas and of course Maureen Jennings It s summer 1942 and after a tough couple of years DI Tom Tyler is making a fresh start in Ludlow Shropshire On the outskirts of town St Anne s Convalescent Hospital staffed by nursing sisters who are Anglican nuns has been established in an old manor house to help victims of the war to recover After a horrifying double murder is discovered on the grounds Tyler must figure out how the crime could have occurred in such a secluded and presumably impenetrable place where most of the patients are unable to walk or are blind or both not to mention deeply traumatized To add to the puzzle Tyler begins almost immediately to receive mysterious letters recounting terrible crimes far away He realizes that he is not only seeking the murderer but that the horrors of the war are closing in on this place that was meant to be a refuge Maureen Jennings beloved author of the Murdoch novels that inspired the popular TV series known as The Artful Detective in the US surpasses herself in this vivid portrayal of wartime Britain brilliantly blending a classic murder mystery with a deeply human story of how the effects of war live on far from the fields of battle The Clare War Dead Tom Burnell,2011-05-01 The Clare War Dead is a comprehensive record of those men from County Clare who died during the Great War and is the next instalment in this prolific author s series on the subject His tireless research has been undertaken to honour those who died in service and to shine a light on an aspect of Irish history which has for too long gone unexamined and unrecognised Such a list combined as it is with intricate data and previously unpublished correspondence and photographs is an essential addition to any local historian or military enthusiast s bookshelf This is Tom Burnell s seventh book in this series following on from the success of similar titles on Waterford Offaly Wexford Wicklow Tipperary and Carlow The Government of No One Ruth Kinna,2019-08-01 The standard book on anarchism for the twenty first century Written with brio quiet insight and clarity Carl Levy A magisterial study of the history and theory of one of the most controversial political movements Anarchism routinely gets a bad press It s usually seen as meaning chaos and disorder or even nothing at all And yet from Occupy Wall Street to Pussy Riot Noam Chomsky to David Graeber this philosophical and political movement is as relevant as ever Contrary to popular perception different strands of anarchism from individualism to collectivism do follow certain structures and a shared sense of purpose a belief in freedom and working towards collective good without the interference of the state In this masterful sympathetic account political theorist Ruth Kinna traces the tumultuous history of anarchism starting with thinkers and activists such as Peter Kropotkin and Emma Goldman and through key events like the Paris Commune and the Haymarket affair Skilfully introducing us to the nuanced theories of anarchist groups from Russia to Japan to the United States The Government of No One reveals what makes a supposedly chaotic movement particularly adaptable and effective over centuries and what we can

Burying the Enemy Tim Grady,2025-04-29 A fascinating and moving history of the British and German war dead buried on enemy soil in the two world wars Why do societies only remember their own national war dead Today the enemy dead might be largely hidden from view but this wasn t always the case During both world wars Germans and Britons died in their thousands in enemy territory From Berlin to Bath London to Leipzig civilian communities buried the enemy in the closest parish churchyard Perhaps surprisingly local people embraced these graves often caring for them with considerable tenderness Tim Grady explores the history of this curious aspect of postwar community He reveals how as the two states moved bodies to new military cemeteries local people protested at the disturbance of the dead and ties between the bereaved families and those who cared

for the graves were severed forever With the enemy out of sight and mind the British and Germans concentrated solely on commemorating their own war dead and their own sacrifices Today s insular public memory of the world wars was only made possible by clearing away signs of the enemy allowing people to tell themselves much simpler narratives of the recent past as a result **Commemorating Race and Empire in the First World War Centenary** Ben Wellings, Shanti
