I Found God in Hollywood Brodsky Cliff Brodsky, Cliff Brodsky, 2009-11 I Found God In Hollywood is a collection of 98% true stories that are charged and intended to be humorous However if the lucky reader finds that they learn something about themselves or have a spiritual epiphany then I guess that would be a good thing This is an autobiographical book of funny stories from the perspective of a musician and pot head who goes to Hollywood to find fame and fortune and ends up with a spiritual awakening Go figure Sometimes God has a better plan than we do The book is organized into four sections The first is a collection of 8 stories from High School You know High School was a lot of stress and fun and trouble and big changes My time in High School was during 1978 through 1982 The end of the 70 s and the beginning of the 80 s What s so great about High School stories Nothing really if you had a boring safe life Everything if you were me Read on and see for yourself The next obvious section is about college life Boston was a great time to go to school in the 80 s Lots of good material there But don t take my word for it Read it and find out for yourself After college came you

guessed it Hollywood Wouldn't that be a logical choice if you were a musician and pot head Yup Hollywood had hot chicks great music scene and good weed Little did our humble here know what would happen next Lastly the fourth section is about Hollywood AFTER Cliff gets sober A much different reality let me tell you If you think Hollywood was psychedelic ON drugs just imagine what its like SOBER Much more trippy of a scene Trust me on that one So this book is a collection of whacky funny rock n roll stoner stories that have meaning depth and dare I say profound spiritual implications You don't have to go to Tibet and sit with the Dali Lama to find the mysteries of the Universe Because quite frankly NO ONE knows the mysteries of the Universe including me But the bottom line is this if you are interested in truth honesty integrity virtue prudence humility then you can find that where ever you are It just strikes me as a little odd and interesting that I just happened to have found God In Hollywood One more thing the illustrations in the book are really funny too I think the illustrations are sort of a cross between Salvador Dali Picasso and Mad Magazine

In On the Joke Shawn Levy, 2022-04-05 A sensitive and vivid study of early female stand ups Levy is a painstaking knowledgeable guide New York Times Book Review A hilarious and moving account of the trailblazing women of stand up comedy who broke down walls so they could stand before the mic perfect for fans of The Marvelous Mrs Maisel and Hacks Today women are ascendant in stand up comedy even preeminent They make headlines fill arenas spawn blockbuster movies But before Amy Schumer slayed Tiffany Haddish killed and Ali Wong drew roars the very idea of a female comedian seemed to most of America like a punch line And it took a special sort of woman indeed a parade of them to break and remake the mold In on the Joke is the story of a group of unforgettable women who knocked down the doors of stand up comedy so other women could get a shot It spans decades from Moms Mabley's rise in Black vaudeville between the world wars to the roadhouse ribaldry of Belle Barth and Rusty Warren in the 1950s and 60s to Elaine May's co-invention of improv comedy to Joan Rivers's and Phyllis Diller's ferocious ascent to mainstream stardom These women refused to be defined by type and tradition facing down indifference puzzlement nay saying and unvarnished hostility They were discouraged by agents managers audiences critics fellow performers even their families And yet they persevered against the tired notion that women couldn't be funny making space not only for themselves but for the women who followed them Meticulously researched and irresistibly drawn Shawn Levy's group portrait forms a new pantheon of comedy excellence In on the Joke shows how women broke into the boys club offered new ideas of womanhood and had some laughs along the way
