Revolution In El Salvador Tommie Sue Montgomery,2018-02-23 Since the first edition of this book appeared in 1982 El Salvador has experienced the most radical social change in its history Ten years of civil war in which a tenacious and creative revolutionary movement battled a larger better equipped US supported army to a standstill have ended with 20 months of negotiations and a peace accord that promises to change the course of Salvadorean society and politics This book traces the history of El Salvador focusing on the oligarchy and the armed forces that shaped the Salvadorean army and political system Concentrating on the period since 1960 the author sheds new light on the US role in the increasing militarization of the country and the origins of the oligarchy army rupture in 1979 Separate chapters deal with the Catholic church and the revolutionary organizations which challenged the status quo after 1968 In the new edition Dr Montgomery continues the story from 1982 to the present offering a detailed account of the evolution of the war She examines why Duarte s two inaugural promises peace and economic prosperity could not be fulfilled and analyzes the electoral victory of the oligarchy in 1989 The final chapters closely follow the peace negotiations ending with an assessment of the peace accords and evaluate the future prospects for El Salvador and for the 1994 elections

Asymmetric Trade Negotiations Sanoussi Bilal,Dr Diana Tussie,Dr Philippe De Lombaerde,2013-04-28 The slow pace of the Doha Round has boosted the proliferation of regional and bilateral trade agreements Paradoxically the more powerful actors the US and the European Union who at the same time have benefited the most from the multilateral system have also been engaged in bilateral and regional negotiations in order to sign WTO plus agreements with developing countries Combining a clear theoretical exposition with systematic cross regional analysis *Asymmetric Trade Negotiations* offers a coherent picture of strategic design and political economy aspects of North South trade negotiation processes from African Asian and Latin American perspectives Skilled area specialists

gather to provide negotiators and policy makers in the South with recommendations best practices and benchmarks and contribute to the understanding of these recent processes **Undocumented Mexicans in the USA** David M.

Heer,1990-11-30 When this volume was published in 1990 undocumented Mexican immigrants had become an important component of the US population In this book the author analyzes the results of a unique survey conducted in Los Angeles County where an estimated 44 percent of the undocumented Mexican population lived The survey allows the author to make comparisons among the groups of undocumented and legal Mexican immigrants and to study the effects of legal status on their living conditions The author also examines the findings of a number of other social scientists providing a comprehensive summary of the data on undocumented Mexicans in the US In his conclusion he turns to an evaluation of policy options for incorporating this group into the US population and for immigrants The book will be useful to sociologists and other social scientists as well as to lawyers and policy experts studying the problem of illegal immigrants **Close Relationships and**

Happiness across Cultures Melikşah Demir,Nebi Sümer,2018-08-10 This volume focuses explicitly on close relationships as a reliable source for individual happiness and well being across cultures The work in this volume addresses theoretical issues and presents new cross cultural data in the study of close relationships and happiness Experts from different parts of the world provide in depth authoritative reviews and new findings on the relationship between various types of close bonds e g intimate marital friendship grandparent and happiness in a variety of cultures An ideal resource for researchers and students of relationship science and positive psychology this rich clear and up to date book serves as an important reference for academicians in related fields of psychology such as cross cultural social and developmental *Boricua Pop* Frances

Negrón-Muntaner,2004-06 The first book solely devoted to Puerto Rican visibility and cultural impact The author looks as such pop icons as JLo and Ricky Martin as well as West Side Story **Gothic Imagination in Latin American Fiction and Film** Carmen A. Serrano,2019-05-15 This work traces how Gothic imagination from the literature and culture of eighteenth and nineteenth century Europe and twentieth century US and European film has impacted Latin American literature and film culture Serrano argues that the Gothic has provided Latin American authors with a way to critique a number of issues including colonization authoritarianism feudalism and patriarchy The book includes a literary history of the European Gothic to demonstrate how Latin American authors have incorporated its characteristics but also how they have broken away or inverted some elements such as traditional plot lines to suit their work and address a unique set of issues The book examines both the modernistas of the nineteenth century and the avant garde writers of the twentieth century including Huidobro Bombal Rulfo Roa Bastos and Fuentes Looking at the Gothic in Latin American literature and film this book is a groundbreaking study that brings a fresh perspective to Latin American creative culture Formal Methods in Architecture

and Urbanism, Volume 2 Catarina Ruivo,David Leite Viana,Franklin Morais,Jorge Vieira Vaz,2021-10-26 This volume contributes to the debate on the application in the disciplines of architecture and urbanism of new formal methods and

methodological advances based on tools from mathematics From millennial geometry to current shape grammars several formal approaches to architecture and urbanism are presented here in order to look at the potentials and purposes of these formal methods both those on the horizon and those already accomplished This book promotes the use of formal methods in the creation of new explicit languages for problem solving in the field This collection of papers will help students academics researchers and practitioners developing formal methods towards the digitalization of the architecture and urbanism sector

Neutral Countries as Clandestine Battlegrounds, 1939-1968 André Gerolymatos, Denis Smyth, 2020-10-01 During the Second World War and the subsequent Cold War foreign agents conducted intelligence gathering sabotage and subversive operations inside neutral countries aimed at damaging their opponents interests The essays contained in this collection analyze the risks of espionage operations on neutral soil as well as the dangers such covert activities posed for the governments of neutral states In striving to avoid involvement in the firing line of the Second World War or the front line of the Cold War the contributors argue that neutral states developed security policies that focused on protecting their own sovereignty without provoking overt hostility from any of the great powers This collection describes how the warring parties engaged in competition on neutral territory and analyzes how neutral governments rose to the existential challenge posed by international spies their own venal officials and even foreign assassins

Peronism as a Big Tent Raanan Rein, Ariel Noyjovich, 2022-02-15 Argentina's populist movement led by Juan Perón welcomed people from a broad range of cultural backgrounds to join its ranks Unlike most populist movements in Europe and North America Peronism had an inclusive nature rejecting racism and xenophobia In *Peronism as a Big Tent* Raanan Rein and Ariel Noyjovich examine Peronism's attempts at garnering the support of Argentines of Middle Eastern origins be they Jewish Maronite Orthodox Catholic Druze or Muslim in both Buenos Aires and the interior provinces By following the process that started with Perón's administration in the mid 1940s and culminated with the 1989 election of President Carlos Menem of Syrian parentage Rein and Noyjovich paint a nuanced picture of Argentina's journey from failed attempts to build a mosque in Buenos Aires in 1950 to the inauguration of the King Fahd Islamic Cultural Center in the nation's capital in the year 2000 Peronism as a Big Tent reflects on Perón's own evolution from perceiving Argentina as a Catholic country with little room for those outside the faith to embracing a vision of a society that was multicultural and that welcomed and celebrated religious plurality The legacy of this spirit of inclusiveness can still be felt today

Latin American Identity in Online Cultural Production Claire Taylor, Thea Pitman, 2013-03-05 This volume provides an innovative and timely approach to a fast growing yet still under studied field in Latin American cultural production digital online culture It focuses on the transformations or continuations that cultural products and practices such as hypermedia fictions net art and online performance art as well as blogs films databases and other genre defying web based projects perform with respect to Latin Americanist discourses as well as their often contestatory positioning with respect to Western hegemonic discourses as they circulate online The intellectual

rationale for the volume is located at the crossroads of two equally important theoretical strands theories of digital culture in their majority the product of the anglophone academy and contemporary debates on Latin American identity and culture

Tyconius' Book of Rules Matthew R. Lynskey, 2021-03-01 In *Tyconius Book of Rules* Matthew R Lynskey explores the church centric interpretation of ancient biblical exegete Tyconius in his hermeneutical treatise *Liber regularum* Influential within his Donatist tradition and the broader context of early North African Christianity Tyconius wrote one of the earliest works on exegetical theory and praxis in Latin Christianity By investigating five key concepts undergirding Tyconius s theology of church Lynskey demonstrates how Tyconius ecclesiology shaped his hermeneutical enterprise Through careful readings and close analysis of *Liber regularum* this study seeks to describe Tyconius exegesis on its own terms reflecting on notable historical theological formational and missiological implications of his ecclesial exegesis as it concerns the ancient and contemporary church

Abortion in Mexico Nora E. Jaffary, 2024-10 Abortion in Mexico A History concisely examines the long history of abortion from the early postcontact period through the present day in Mexico by studying the law criminal and ecclesiastical trials medical texts newspapers and other popular publications Nora E Jaffary draws on courts and medical practitioners handling of birth termination to advance two central arguments First Jaffary contends the social legal and judicial condemnation of abortion should be understood more as an aberration than the norm in Mexico as legal conditions and long periods of Mexican history indicate that the law courts the medical profession and everyday Mexicans tolerated the practice Second the historical framework of abortion differed greatly from its present representation The language of fetal personhood and the notion of the inherent value of human life were not central elements of the conceptualization of abortion until the late twentieth century Until then the regulation of abortion derived exclusively out of concerns for pregnant people themselves specifically about their embodiment of sexual honor In *Abortion in Mexico* Jaffary presents the first *longue dur e* examination of this history from a variety of locations in Mexico providing a concise yet comprehensive overview of the practice of abortion and informing readers of just how much the debate has evolved

Transitions from Authoritarian Rule Guillermo O'Donnell, Philippe C. Schmitter, Laurence Whitehead, 2013-07-16 An array of internationally noted scholars examines the process of democratization in southern Europe and Latin America They provide new interpretations of both current and historical efforts of nations to end periods of authoritarian rule and to initiate transition to democracy efforts that have met with widely varying degrees of success and failure Extensive case studies of individual countries a comparative overview and a synthesis conclusions offer important insights for political scientists students and all concerned with the prospects for democracy The historical example of Italy after Mussolini as well as the more recent cases of Greece Portugal Spain and Turkey suggest factors that may make a transition relatively secure
