Winning the Presidency 2008 William J. Crotty, 2015-11-17 The presidential election of 2008 is unique in a history of memorable campaigns for the highest office in the U S Never before has an African American captured the nomination of a major political party Never before have the Republicans nominated a woman for vice president Never before has a woman come so close to capturing the nomination of a major party And with at once one of the oldest and youngest candidates contending for the office never before has the campaign been stretched over such a range of voters and issues Add to that the multiple threats to the U S economy and the longest war the country has ever waged and the electoral context is set This book is the first to describe and assess these monumental developments with original analysis by an all star cast of contributors No other book captures both the range and depth of this one in its early look at the meaning of the most significant election in years one with unprecedented institutional constitutional and policy consequences for all of us

The Absurdity of Compromise - The Art of Resolving Conflict so Everyone Wins Donald Grady II, PhD, 2019-01-02 People think compromise is a good thing Can anything be good that pushes everyone involved to sacrifice something they value Compromise has long been accepted as the preferred way to resolve our differences We do it at work as entrepreneurs

to settle squabbles between spouses or when a mother battles a teen No matter the problem we go for the compromise You ever wonder why In *The Absurdity of Compromise* Donald Grady examines the drawbacks and challenges of conflict and explodes the myth that compromise is the win win it s proclaimed to be Avoid the pitfalls of talking past other people Learn to listen intelligently and empathetically understand the perspective of others Stop fighting and compromising to everyone s mutual dissatisfaction Want better results but haven t quite figured out how to get there This is the book for you Today s practices often present antagonists with one sided solutions leaving each feeling like losers In Don Grady s peace building schemata everyone comes away a winner I recommend this lively book to anyone enmeshed in the field of conflict resolution foreign or domestic Robert W Farrand U S Ambassador and Deputy High Representative Bosnia Heregovina 1997 2000
