Knocked Up by the Rockstar Christina Hovland, 2021-12-10 Things just got serious The only thing music publicist Courtney Lincoln dislikes more than knock off sugary breakfast cereal is the hunky lead singer of her brother's ridiculously popular band A band on the rocks again Seems like this time it'll take a miracle to save Dimefront So when she discovers she's pregnant following one teeny tiny mind blowing morning with Brennan Bax Baxter the timing is not great Being a mom wasn't part of her plan but her plans just changed Following the implosion of his engagement Bax realizes he doesn't want to lose Dimefront too But he's finally let his guard down with Courtney in a steamy slip up that ties them together as unlikely co-parents The big problem He broke the cardinal rule of music don't knock up the bass player's little sister Especially a little sister who sees straight through the facade he's painstakingly curated But he's always wanted a family and he's being offered that chance Plus Courtney might just be exactly who he needs to keep him grounded Even if the band can mend fences there's a baby on the way and Courtney's questioning everything she once thought Bax is suddenly a dreamy boyfriend but she isn't convinced it's authentic given all she knows about his rocker past As the group heads out on what they hope is a reunion tour Bax and Courtney have to figure out what's real what's not and if they can learn to finally trust each other

Rockstar Games and American History Esther Wright, 2022-08-22 For two decades Rockstar Games have been making games that interrogate and represent the idea of America past and present Commercially successful fan beloved and a frequent source of media attention Rockstar's franchises are positioned as not only game changing ground breaking interventions in the games industry but also as critical cultural histories on America and its excesses But what does Rockstar's version of American history look like and how is it communicated through critically acclaimed titles like Red Dead Redemption 2010 and L.A. Noire 2011 By combining analysis of Rockstar's games and a range of official communications and promotional materials this book offers critical discussion of Rockstar as a company their video games and ultimately their attempts at creating new narratives about U.S. history and culture It explores the ways in which Rockstar's brand identity and their titles coalesce to create a new kind of video game history how promotional materials work to claim the authenticity of these products and assert the authority of game developers to perform the role of historian By working at the intersection of historical game studies U.S. history and film and media studies this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past and whose past it is deemed to be Ultimately this book implores those who research historical video games to consider the oft forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated Watch our book talk with the author Esther Wright here https://youtu.be/AaC_9XsXCQ

A Guide to Movie Based Video

Games, 2001 Onwards Christopher Carton, 2024-08-30 Play Along with the Film When gaming moved from the 16 bit era and into the exciting realm of 3D gameplay Hollywood properties continued their journey into the interactive medium Popular home and handheld consoles played host to ambitious titles that sought to bridge the gap between movies and video games providing fans with scenarios that both replicated and went beyond their favorite stories Gathered in this book are some of the biggest video games that originated from movies some being direct adaptations and others that expanded existing universes With 20 chapters covering over 450 games including every Lego movie video game and franchises such as Star Wars Aliens Disney Pixar and The Lord of the Rings **A Guide to Movie Based Video Games 2001 2023** gives readers a chance to revisit and discover the ups and downs of licensed titles across two action packed decades Load up the reels press start and immerse yourself in timeless adventures

A Guide to Movie Based Video Games, 1982-2000 Christopher Carton, 2023-08-31 Explore two decades of licensed video games based on blockbuster movies You've seen the movie now PLAY the movie Long before gaming came to the big screen cinema arrived in the homes of millions in the form of licensed video games playable merchandise that tied in to some of the major tentpoles of cinematic history Many of these games followed the storylines of the movies on which they were based as well as providing supplementary adventures to major franchises Collected in this book are some of the biggest games to come from Hollywood adventures during the 80s and 90s In this comprehensive book you'll find over 300 games across 18 chapters with sections dedicated to major movie franchises such as Star Wars Jurassic Park Top Gun Pixar Aliens and Indiana Jones along with nearly 200 full color screenshots of major releases Showcasing the highs and lows of early computer gaming through the 16 bit era and onto the advent of 3D console gaming **A Guide to Movie Based Video Games 1982 2000** covers two decades of video games with trivia analysis and recommendations Grab your controller step into the silver screen and get ready to play
