Complete Love Magazine Vol 28 No 02 , Imperial Romance Su Yun Kim,2020-11-15 In *Imperial Romance* Su Yun Kim argues that the idea of colonial intimacy within the Japanese empire of the early twentieth century had a far broader and more popular influence on discourse makers social leaders and intellectuals than previously understood Kim investigates representations of Korean Japanese intimate and familial relationships including romance marriage and kinship in literature media and cinema alongside documents that discuss colonial policies during the Japanese protectorate period and colonial rule in Korea 1905 45 Focusing on Korean perspectives Kim uncovers political meaning in the representation of intimacy and emotion between Koreans and Japanese portrayed in print media and films *Imperial Romance* disrupts the conventional reading of colonial period texts as the result of either coercion or the disavowal of colonialism thereby expanding our understanding of colonial writing practices The theme of intermarriage gave elite Korean writers and cultural producers opportunities to question their complicity with imperialism Their fictions challenged expected colonial boundaries creating tensions in identity and hierarchy and also in narratives of the linear developmental trajectory of modernity Examining a broad range of writings and films from this period *Imperial Romance* maps the colonized subjects fascination with their colonizers and with moments that allowed them to become active participants in and agents of Japanese and global imperialism

Films that Sell Patrick Vonderau,Bo Florin,Nico De Klerk,2017-10-06 While moving image advertising has been around us everywhere for at least a century the topic has tended to be overlooked by cinema studies This far reaching new collection makes an incisive contribution to a new field of study by exploring the history theory and practice of moving image advertising and emphasising the dynamic and lasting relationships between print film broadcasting and advertising cultures In chapters written by an international ensemble of leading scholars and archivists the book covers a variety of materials from pre show advertising films to lantern slides and sponsored educations With case studies of advertising campaigns and archival collections from a range of different countries and giving consideration to the problems that advertising materials pose for preservation and presentation this rich and expansive text testifies to the need for a new approach to this burgeoning subject that looks beyond the mere study of promotional film

Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
