Anthropology of Tourism in Central and Eastern Europe Sabina Owsianowska, Magdalena Banaszekiewicz, 2018-04-11 In Anthropology of Tourism in Central and Eastern Europe Bridging Worlds Sabina Owsianowska and Magdalena Banaszekiewicz examine the limitations of the anthropological study of tourism which stem from both the domination of researchers representing the Anglophone circle as well as the current state of tourism studies in Central and Eastern Europe This edited collection contributes to the wider discussion of the geopolitics of knowledge through its focus on the anthropological background of tourism studies and its inclusion of contributors from Austria Bulgaria Estonia and Poland

History of Romanian Technology and Industry Dorel Banabic, 2023-12-18 This volume showcases the valuable achievements of the Romanian technology and industry worldwide It started from the premise that the history of Romanian technique is scarcely known outside the borders of Romania The main Romanian contributions to the world's technological heritage are missing except for a few names in the field of aviation from the great encyclopedias and dictionaries published worldwide This is due among other reasons to the insufficient promotion in widely spoken languages of the history of Romanian technology The multidisciplinary approach of the volumes means that the field of technology had to be split into several branches The present volume includes the following industries mining metallurgy oil natural gas machine building agricultural machinery military textiles and construction Folk technology the formation of the industrial system and mechanics are tackled in separate chapters For each field are engaged the collaboration of authors who have already published a history of their field Certain chapters were drafted with the aid of specialists who have played the part of policy makers in the elaboration of development strategies for Romania and who are familiar not only with the facts and the history

of their field but also with the philosophy behind its development *Encyclopedia of Easter Celebrations Worldwide* William D. Crump, 2021-03-08 At Eastertime the most important holiday in the Christian world religious processions in many Latin American countries pass over ornate street carpets fashioned from colored sawdust flowers and fruit Children in Finland and Sweden dress as Easter witches In the Caribbean those who swim on Good Friday risk bad luck In the Philippines some penitents volunteer to be crucified In some European countries Easter Monday is the day for dousing women with water With 240 entries this book explores these and scores of other unusual and sometimes bizarre international Holy Week customs both sacred and secular from pilgrimages to Jerusalem to classic seasonal films and television specials *Planning and Managing the Experience Economy in Tourism* Augusto Costa, Rui, Brandão, Filipa, Breda, Zelia, Costa, Carlos, 2021-12-03

Tourism is facing a new paradigm that has been brought on by the introduction of experiences in the development management and promotion of tourism Associating experiences to tourism destination and products allows tourists to relate to their vacations differently and helps to fuel a destination's competitiveness and compliance with new needs and motivations that are being driven by the tourists When properly design managed and developed tourism experiences can contribute to the destination's overall sustainability by maximizing tourism's positive impacts and fostering their spillover to local communities Planning and Managing the Experience Economy in Tourism is an essential reference book that seeks to advance research on tourism experience as well as investigate how tourism experiences can create and increase tourism competitiveness The book explores how the experience concept has evolved in the last decade alongside the needs and motivations of consumers and how it can be conceptualized designed managed and implemented both at the tourism firm and destination levels Delving further into concepts like creative tourism destination attributes and smart experiences this book serves as a dynamic resource for travel agencies tourism managers tourism professionals marketers destination managers government officials policymakers academicians students tourism officials planners and researchers **Medical Tourism**

John Connell, 2011 Although it may seem a recent phenomenon tourism has long been associated with improved health and spa tourism has its roots in antiquity With the emergence of activities such as bushwalking and meditation and with increasing numbers of people travelling abroad for medical or cosmetic procedures medical tourism is now a growing niche in the tourism market This book looks at the background and rise of health tourism new emerging facets of the sector and examines how health related travel fits into a tourism framework It is suitable for undergraduate and postgraduate students

Health and Wellness Tourism Patricia Erfurt-Cooper, Malcolm Cooper, 2009-07-27 Geothermal springs constitute a major tourism resource providing spectacular settings recreation facilities a recognised value in treatments beneficial for health and wellness a sense of heritage and adventure and links with the natural environment Health and wellness tourism accounts for a significant proportion of the world's tourism consumption with components ranging from hot spring bathing for leisure and recreation through mineral water use in health treatments under the supervision of highly specialised medical

professionals to water treatments in the wellness and beauty therapy sector and the use of mineral water for drinking purposes This makes it an economically and socially important area of tourism demanding in depth analysis This book explores health and wellness tourism from a range of perspectives including usage heritage management technology environmental and cultural features and marketing *Die Entgrenzung des Ruralen* Willi W. Romania Travel Guide Wikitravel Introduction

In today's digital age, the availability of Romania Travel Guide Wikitravel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Romania Travel Guide Wikitravel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Romania Travel Guide Wikitravel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Romania Travel Guide Wikitravel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Romania Travel Guide Wikitravel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Romania Travel Guide Wikitravel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Romania Travel Guide Wikitravel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Romania Travel Guide Wikitravel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Romania Travel Guide Wikitravel books and manuals for download and embark on your journey of knowledge?
