Discipling Through Romans Study Guide: Verse-by-Verse Through the Book of Romans Don Krow, Andrew Wommack, 2022-02. A believer once told me how he would gather with a Bible study group and discuss Andrew's Life for Today commentary notes. Many in the group found this method of study to be helpful in their walk with God. So I decided to put together *Discipling Through Romans*, a study guide based on notes from Andrew's Life for Today Study Bible and Commentary, Romans Edition. Also included are questions and an answer key. Whether you're teaching a Sunday school class, leading a small group, discipling an individual, or studying on your own, *Discipling Through Romans* is designed for you.

Letter to the Romans, a Small Group Bible Study Guide Ted LaFemina, 2013-08-13. Through this small group study, Paul's letter to the Romans, with all its richness and complexity, is made accessible to both devout followers as well as people new or simply interested in the faith. The study provides a comprehensive overview of the historical and cultural background of the early Roman Empire that sheds light on the metaphors and language used by Paul. Through insightful questions, the participants will be challenged to not only understand for themselves the meaning and process of salvation recorded by the Holy Spirit through Paul, but to understand what it means to them. Like the original hearers of the word, Paul's message raises questions that demand a serious self-evaluation of the heart. This guide transforms the questions and issues raised into engaging discussions within a small group setting. Participants will also come to realize through this study that Paul's letter to the Romans doesn't stand alone but is one part of a larger, consistent story of God's love and plans for us that He has woven throughout the Bible.
