A Topical Guide to the Koran & Sharia Law Robert Maddock, 2020-03-17 This book is based on the 1734 translation of the Koran by George Sale This translation is in King James English making comparisons between it and the King James Bible easily This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears These verses are placed together so that the reader can readily determine the context and therefore the meaning of the word or phrase In some instances such as the word jihad which does not appear in the Sale translation it is traced in the University of Michigan s online translation of the Koran There it appears thirteen times but in only two does it mean an internal struggle In the other eleven it means warfare When analyzing words and phrases in the Koran it is important to know when they were received and written It is also important to know that the Koran includes material that seems to come from other sources This has been outlined in volume 2 of the 1 300 Years War As noted in volume 1 of the 1 300 Years War Muhammad PBUH has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations These seizures last less than three minutes It is therefore important to know which suras might have come from a single episode A table shows this in volume 1 table 8 Many scholars divide the Koran into four major periods early Mecca AD 610 615 mid Mecca AD 616 late Mecca AD 617 621 and Medina AD 622 632 The analysis of the verses in these periods found that militancy against non Muslims progresses 7 7 percent of the verses from early Mecca are militant This rises to 10 6 percent in the mid Mecca period and 18 3 percent in the late Mecca period It tops out at 29 3 percent in the Medina period The colored version of the topical guide shows these periods in black blue green and red In the black and white edition it shows these four periods of the Koran in plain italics boldface italics regular plain type and boldface regular type The reason this division is important is the doctrine of abrogation 2 106 given early in the Medina period This states that verses given later may nullify verses given earlier Thus many peaceful verses given in the early parts of the Koran may be

nullified by the verse of the sword 9 5 given later toward the end of the prophet s life Slay the idolaters wherever you find them So far as I have been able to determine there has been no stylistic analysis of the Koran A person studying the Koran or the history of Islam will find this work most valuable *Virtual History* A. Martin Wainwright,2019-06-28 *Virtual History* examines many of the most popular historical video games released over the last decade and explores their portrayal of history The book looks at the motives and perspectives of game designers and marketers as well as the societal expectations addressed through contingency and determinism economics the environment culture ethnicity gender and violence Approaching videogames as a compelling art form that can simultaneously inform and mislead the book considers the historical accuracy of videogames while also exploring how they depict the underlying processes of history and highlighting their strengths as tools for understanding history The first survey of the historical content and approach of popular videogames designed with students in mind it argues that games can depict history and engage players with it in a useful way encouraging the reader to consider the games they play from a different perspective Supported by examples and screenshots that contextualize the discussion *Virtual History* is a useful resource for students of media and world history as well as those focusing on the portrayal of history through the medium of videogames *Frommer's Comprehensive Travel Guide : Italy '94* Darwin Porter,1994 **Liberia Foreign Policy and Government Guide Volume 1 Strategic Information and Developments** IBP, Inc.,2017-09-13 2011 Updated Reprint Updated Annually Liberia Foreign Policy and Government Guide **Doing business and Investing in Liberia Guide** IBP USA,2013-08 2011 Updated Reprint Updated Annually Doing Business and Investing in Liberia Guide **The Guide Post** ,1975 **Real Estate Record and Builders' Guide** ,1884
