The program is available to students who are victims of sexual assault, sexual harassment, or sexual violence.

It is important to note that the above-mentioned assumptions are not always valid. For example, the above-mentioned assumptions are not valid in the case of a system with a large number of components, where the system is not homogeneous and the components are not independent. In such a case, the above-mentioned assumptions are not valid and the system must be analyzed using a more sophisticated method.

Mathematical Derivation: The following table is a prototype of a fact table as it represents all multiple key relationships. Assume: (1) the table has 100 columns; (2) the column IDs are numbered sequentially from 1 to 100; (3) the column names are:
