AF Press Clips ,1985 AF Press Clips United States Department of State. Bureau of African Affairs,1985 *World War I* Spencer C. Tucker,2019-05-10 Offers detailed coverage of every country that played a significant role in World War I from key participants including France Germany Great Britain the Ottoman Empire and the United States to smaller nations such as Bulgaria Montenegro and New Zealand World War I A Country by Country Guide is a comprehensive reference exploring the role various nations played in this devastating conflict Each of the 22 country sections provides detailed background information the reasons behind the country s entry into the war a summary of its combat effort in the war a discussion of the home front experience and a description of the war s impact on that nation Illuminating sidebars offer an interesting war anecdote involving each country while essays survey each country s military branches and key military and political leaders Finally a timeline for each nation covers all of the important events involving that country during World War I In addition to the country coverage a battles section offers entries on 18 of World War I s most important engagements and a separate section on weapons and tactical changes is included The book also features dozens of maps and images throughout the text that serve as important visual aids that help readers to understand all aspects of the conflict **The Statesman's Year-Book 1971-72** J. Paxton,2016-12-28 The classic reference work that provides annually updated information on the countries of the world **South Africa, the Colonial Powers and 'African Defence'** G. Berridge,1992-11-25 This book describes the fate of South Africa s drive which began in 1949 to associate itself with Britain France Portugal and Belgium in an African Defence Pact It describes how South Africa had to settle for an entente rather than an alliance and how even this had been greatly emasculated by 1960 In light of this case the book considers the argument that ententes have the advantages of alliances without their disadvantages and concludes that this is exaggerated
