base on December 7 1941 eleven year old Jackie Smith could see not only the Rising Sun insignias on the wings of attacking Japanese bombers but the faces of the pilots inside Most American children on the home front during the Second World War saw the enemy only in newsreels and the pages of Life Magazine but from Pearl Harbor on the war with its blackouts air raids and government rationing became a dramatic presence in all of their lives Thirty million Americans relocated 3 700 000 homemakers entered the labor force sparking a national debate over working mothers and latchkey children and millions of enlisted fathers and older brothers suddenly disappeared overseas or to far off army bases By the end of the war 180 000 American children had lost their fathers In *Daddy s Gone to War* William M Tuttle Jr offers a fascinating and often poignant exploration of wartime America and one of generation s odyssey from childhood to middle age The voices of the home front children are vividly present in excerpts from the 2 500 letters Tuttle solicited from men and women across the country who are now in their fifties and sixties From scrap collection drives and Saturday matinees to the atomic bomb and V J Day here is the Second World War through the eyes of America s children Women relive the frustration of always having to play nurses in neighborhood war games and men remember being both afraid and eager to grow up and go to war themselves Not all were willing to wait Tuttle tells of one twelve year old boy who strode into an Arizona recruiting office and declared I don t need my mother s consent I m a midget Former home front children recall as though it were yesterday the pain of saying good bye perhaps forever to an enlisting father posted overseas and the sometimes equally unsettling experience of a long absent father s return A pioneering effort to reinvent the way we look at history and childhood *Daddy s Gone to War* views the experiences of ordinary children through the lens of developmental psychology Tuttle argues that the Second World War left an indelible imprint on the dreams and nightmares of an American generation not only in childhood but in adulthood as well Drawing on his wide ranging research he makes the case that America s wartime belief in democracy and its rightful leadership of the Free World as well as its assumptions about marriage and the family and the need to get ahead remained largely unchallenged until the tumultuous years of the Kennedy assassination Vietnam and Watergate As the hopes and expectations of the home front children changed so did their country s In telling the story of a generation Tuttle provides a vital missing piece of American cultural history

The film defiantly silent in the age of talkies was an immediate and international hit. The actress who played the romantic lead had never been on screen or stage before Chaplin's film turned her into the most famous girl in the world. And like Rhett Butler the most famous girl in the world didn't give a damn. Virginia Cherrill was the beautiful daughter of an Illinois rancher who ran away to live through some of Hollywood's wildest years. She was the adoring first wife who broke Cary Grant's heart when she left him who turned down the gloriously eligible Maharajah of Jaipur to befriend his wife and rescue her from purdah. Virginia Cherrill presided during the thirties over one of England's loveliest houses as the Countess of Jersey. Everybody sought her friendship. All that eluded her was love. And when she found it she gave up all she had to marry a handsome and penniless Polish flying ace whose dream it was to become a cowboy. In this glorious and undiscovered story of Hollywood international high society wartime drama and romance Miranda Seymour works from unpublished sources to recapture the personality of a woman so vividly enchanting that none could resist her. This is the story of Cinderella in reverse of the poor girl who won everything and gave up all for love. Breathtakingly romantic exquisitely written this is the stuff that dreams are made of *All He Saw Was The Girl* Peter Leonard, 2012-05-15 Rome McCabe and Chip two American exchange students are about to become embroiled with a violent street gang a beautiful Italian girl and a flawed kidnapping plan.
