**The Lost Art of Real Cooking** Ken Albala, Rosanna Nafziger Henderson, 2010-07-06 It's time to take back the kitchen. It's time to unlock the pantry and break free from the shackles of ready-made industrial food. It's time to cook supper. *The Lost Art of Real Cooking* heralds a new old-fashioned approach to food: laborious and inconvenient yet extraordinarily rewarding and worth bragging about. From jam, yogurt, and fresh pasta to salami, smoked meat, and strudel, Ken Albala and Rosanna Nafziger arm you with the knowledge and skills that let you connect on a deeper level with what goes into your body. Ken and Rosanna celebrate the patience it takes to make your own sauerkraut and pickles. They divulge the mysteries of capturing wild sourdoughs and culturing butter, the beauty of rendering lard, making cheese, and brewing beer, all without the fancy toys that take away from the adventure of truly experiencing your food. These foods were once made by the family in the home rather than a factory. And they can still be made in the smallest kitchens without expensive equipment, capturing flavors that speak of place and personality. What you won't find here is a collection of rigid rules for the perfect meal. Ken and Rosanna offer a wealth of recipes, history, and techniques that start with the basics and evolve into dishes that are entirely your own.

**Mastering the Art of French Cooking, Volume 1** Julia Child, Louisette Bertholle, Simone Beck, 2011-10-05 NEW YORK TIMES BESTSELLER The definitive cookbook on French cuisine for American readers. What a cookbook should be: packed with sumptuous recipes, detailed instructions, and precise line drawings. Some of the instructions look daunting, but as Child herself says in the introduction, "If you can read, you can cook." *Entertainment Weekly*: "I only wish that I had written it myself." James Beard Award-winning. Featuring 524 delicious recipes and over 100 instructive illustrations to guide readers every step of the way, *Mastering the Art of French Cooking* offers something for everyone, from seasoned experts to beginners who love good food and long to reproduce the savory delights of French cuisine. Julia Child, Simone Beck, and Louisette Bertholle break down the classic foods of France into a logical sequence of themes and variations rather than presenting an endless and diffuse catalogue of dishes from historic Gallic masterpieces to the seemingly artless perfection of a dish of spring green peas. Throughout, the focus is on key recipes that form the backbone of French cookery and lend themselves to an infinite number of elaborations, bound to increase anyone's culinary repertoire. Julia has slowly but surely altered our way of thinking about food. She has taken the fear out of the term *haute cuisine*. She has increased gastronomic awareness a thousandfold by stressing the importance of good foundation and technique, and she has elevated our consciousness to the refined pleasures of dining.
