

Mahatma Gandhi said, "The greatness of a nation and its moral progress can be judged by the way its animals are treated." The manner in which animals are being treated mercilessly in our country reflects we are barbarians. Quite ironically it is man who is treating animals savagely. He seems to have forgotten the fact they are his fellow-inhabitants of the planet earth.

Man is the most dangerous animal that has ever lived on planet! That is what is written in a zoo at Lusaka, in Zambia. No other animal has done so much damage to the planet as man! He has denuded forests from the face of earth; in his blind race of industrialization he has polluted the very air we breathe. The innocent animals in the forests have been dragged to the verge of extinction. Still his hunger is unsatisfied! He has made the sacred affairs of life into mundane trade and commerce. For him animals are raw material for his production of profitable goods and merchandise! Any animal that comes within the range of his greedy perception, is gone forever. The fur animals such as foxes, minks, rabbits, wolves, cats, beavers, tigers, leopards, and many more, man hunts all of them for trading their furs in return for money! He forgets that these animals are an integral part of the ecological system.

The price of human greed is being paid by many innocent animal species. Their population is getting depleted at an alarming rate. If the present state of affairs is allowed to continue, the next generation will not get to see the majestic animals even in the zoo. We must remember they are an integral and beautiful part of our life. Without them our life will become dull and boring.

Let's save them. Let's respect them. Otherwise what answer will we give to the Creator on the judgement day Who had given the humans the charge of looking after them?
