Normalverse Simon Dunn, 2014-12-27 Don't read this in a public place you won't be able to stop yourself laughing out loud It reminds me of Douglas Adams the careful plotting mixed with those absurdities and jokes that sneak up and make you snort tea through your nose Hilarious Goodreads What if you really were the centre of the universe Norman M's house is shrinking He's sure of it But that's the least of his problems even if he doesn't realise it yet There's also the odd time dilation effects at the office the invisible spiders that no one else can see and the eccentric neighbours who insist on eating his bacon sandwiches In spite of all of this Norman is a completely average man a man so bland he would disappear in the middle of Ikea The trouble is Norman doesn't want to be an average man he wants to be unique he wants to be somebody and he wants to amount to something And he's about to get exactly what he wants whether it's good for him or not Normalverse is the first part of a trilogy about normality and pan galactic rent disputes And it's FREE KEYWORDS humor aliens thriller invasion mystery robots contact science fiction humour science fiction and fantasy science fiction best sellers free science fiction books free science fiction military science fiction science fiction books free kindle books science fiction and fantasy sci fi sci fi fantasy sci fi kindle books sci fi military sci fi books sci fi free books sci fi free sci fi sci fi novel sci fi fantasy sci fi kindle books sci fi books sci fi short stories *International Dictionary of Theatre: Playwrights* Mark Hawkins-Dady, Leanda Shrimpton, David Pickering, 1992 A dictionary of playwrights which contains 485 entries each of which includes biographical information on the playwright complete lists of published works with dates of performance and a bibliography of critical studies on the playwright
