Attention Rising 12th graders for the 2022-2023 School Year

A second dose of Meningococcal Conjugate Vaccine (MCV4) is required before entering the 12th grade or by 17 years of age, whichever comes first. This requirement was put into effect August 1, 2020. If you were born prior to January 1st, 2003, the second dose is not required for public school attendance. Failure to submit proof of receiving this vaccine will result in exclusion from school and school activities for the upcoming school year.

1. Contact your doctor/health care provider or local health department to meet this immunization requirement. 2. Submit your updated immunization record to your school nurse.

It is very important that parents contact the school office to report address and phone number changes. Please see the district's website for information on required proofs of address.

Parents and Students will not have access to Parent/Student Portals, beginning June 26 through Summer. Access will be reinstated on or before the first day of school.
