Read The Of Enoch:

The Illustrated Secrets of Enoch Enoch, 2014-12-27 One might ask why there is so much interest in this obscure little apocryphal book written under the assumed name Enoch If we look at the book of Luke where Jesus is describing for His disciples the time of His return in Luke 17 26 Just as it was in the days of Noah so will it be in the days of the Son of Man They were eating and drinking and marrying and being given in marriage until the day when Noah entered the ark and the flood came and destroyed them all We may want to know in greater detail just exactly what it was like during the time of Noah Reading the first chapter of the Book of Enoch we find Enoch a righteous man whose eyes were opened by God saw the vision of the Holy One in the heavens which the angels showed me and from them I heard everything and from them I understood as I saw but not for this generation but for a remote one which is for to come Concerning the elect I said and took up my parable concerning them The Holy Great One will come forth from His dwelling and the eternal God will tread upon the earth even on Mount Sinai and appear from His camp and appear in the strength of His might from the heaven of heavens So not only does Luke and Mathew for that matter tell us that Jesus return will come at time like the time of Noah and the flood but the Book of Enoch begins by telling us it is written not for those of Enoch s generation but for a generation in the distant future when the Holy Great One will tread upon the earth and He will appear in the strength of His might from the Heaven of Heavens From The reference in the Letter of Jude 1 15 quoting Enoch regarding the return of Jesus to the passages in Mathew and Luke regarding the time of Christ s return to be like the time of Noah and considering Enoch s claim to be written for the elect of the generation alive during the time of the Holy Great One s coming to Earth I believe the Book of Enoch deserves a serious read

William KNIGHT (of St. Enoch's Dundee.),1874 **The Apocrypha and Pseudepigrapha of the Old Testament in English: Apocrypha** Robert Henry Charles,1913 *Divine Mysteries in the Enochic Tradition* Andrei A. Orlov,2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus The Apocrypha and Pseudepigrapha of the Old Testament in English Robert Henry Charles,1913 Teachers' Monographs ,1902 **All Power to the Lamb** James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over

the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age **Angelology** Danielle Trussoni,2010-03-09 Set in the secluded world of cloistered abbeys long lost secrets and angelic humans Angelology has all the makings of a blockbuster hit combining elements of The Da Vinci Code and Kate Mosse s Labyrinth Sister Evangeline was just a young girl when her father left her at St Rose Convent under the care of the Franciscan Sisters of Perpetual Adoration Now a young woman she has unexpectedly discovered a collection of letters dating back sixty years letters that bring her deep into a closely guarded secret to an ancient conflict between the millennium old Society of Angelologists and the monstrosly beautiful Nephilim the descendants of angels and humans Rich and mesmerizing Angelology blends biblical lore mythology and the fall of the Rebel Angels creating a luminous riveting tale of one young woman caught in a battle that will determine the fate of the world Are We There Yet? Enoch's Journey Earl A. Jones, 2018-12-26 Enoch's Journey will shed light on Enoch's walk with God as well as your own The book discusses Enoch's three hundred year walk including some of the issues that he would face along the way problems that would come to hinder and impede his close fellowship with God It also discusses the more clearly defined journeys of Joseph and Job If you have read their stories in the Bible you know that both faced plenty of challenges fraught with peril and trial However there was a purpose to reshape them so that they could be transported into the next phase of their lives ready to fulfill the larger calling that God had always intended for them Many other biblical figures are also discussed in this book generally in a lighthearted manner Rest assured that there is always a higher purpose to every trial and challenge that we face in life Reading this book will encourage us to continue to walk with God and keep up the pace so we can see the end of the journey as well as the beginning and we can know how to thrive in
