The Summer Slide Karl Alexander, Sarah Pitcock, Matthew C. Boulay, 2016. This book is an authoritative examination of summer learning loss featuring original contributions by scholars and practitioners at the forefront of the movement to understand and stem the summer slide. The contributors provide an up-to-date account of what research has to say about summer learning loss, the conditions in low-income children's homes and communities that impede learning over the summer months, and best practices in summer programming with lessons on how to strengthen program evaluations. The authors also show how information on program costs can be combined with student outcome data to inform future planning and establish program cost effectiveness. This book will help policymakers, school administrators, and teachers in their efforts to close academic achievement gaps and improve outcomes for all students.

Book Features: Empirical research on summer learning loss and efforts to counteract it. Original contributions by leading authorities. Practical guidance on best practices for implementing and evaluating strong summer programs. Recommendations for using program evaluations more effectively to inform policy.

BLUEFOOT VICTOR JIDE ANIMASAHUN, 2014

SUCCESS IS MORE THAN WHAT YOU THINK There is growing concern of mediocrity in almost every place, and the need for excellence has to be stirred up once again in everyone. This is because mediocrity, if unchecked, would certainly degenerate into idiocy, and high-level productivity would soon become old-fashioned. This book was written beginning with the end in mind. The term BLUEFOOT was coined to synchronise the process and the product of career success, moving from the process of resolving to live by the blueprint for a successful career to the product of achieving the desired booming career. Every blueprint discussed is aimed at structuring the reader to leave ineradicable footprints in the sands of their career. We must
