

Essay about Reading

5 pages | 1011 words

Ever since I started learning to read, it has been one of my favorite hobbies. I love to submerge myself into a book and get the chance to go on adventures I never can in the real world. Usually, when I get hooked on a good book, I can't put it down. I'm not myself anymore. My reality becomes eclipsed by something as simple, yet complex, as words on paper. I begin to eat, sleep, and experience through the character in the tale. I am the character in the tale. Although I experience these journeys vicariously, it feels real in my mind, and that's good enough for me. When I am reading, I like to settle myself in a very quiet environment with little to no noise. I often read during the evening or at night. More often than not, I get myself a snack to chew. I also get some water to quench my thirst, especially if I'm reading a story taking place in dry conditions.

I like to lie on the sofa or on my bed because I enjoy being very comfortable while reading. Some will fall asleep whilst reading, but I usually get too absorbed by the book to do so. Something I don't understand is when people must listen to music or have noise in the background- for me, it is very distracting. In my life, I like to think that I've read quite a few books. I don't have a favorite genre of books but I read much more fiction than non-fiction. That is something I am trying to improve on- I want to read more biographies, auto-biographies, non-fiction narratives, speeches, etc.

Some books that I love are: The Diving Bell and the Butterfly, Gone with the Wind, Jane Eyre, A Time of Angels, To Kill a Mockingbird, The Catcher in the Rye, The Help, The Fault in Our Stars, Ender's Game, Harry Potter and more. I want to learn how to read faster and retain information better to become a more efficient reader. I often find that I have difficulty recalling details in a book. Reading allows for a break from all the stress and scurry in life. It allow one to relax and enjoy some alone time. I love when a book is quick to get into and interesting.

How Do We Cultivate Interest in Reading?

How often have we heard other people saying that they have no time for reading? This is a mere excuse. In actual words, they are implying that they have lost the urge to educate themselves by keeping abreast with the current trends of thought like science and technology.

This trend can be seen in many young people today and not only do they come up with excuses that they have no time for reading, quite a handful of them have absolutely no interest in reading. One must know that education does not end upon leaving school or university. Knowledge is infinite and to acquire knowledge is a never-ending process. What can be done to cultivate young people's interest in reading?
