.....

What caused the problem? What might have happened before this?

What is the problem? Why is it a problem?

How does she feel right now? Why?

How could this problem be solved? What could she do?

What could she say to help solve the problem?

What might have happened before this? What caused this?

What is the problem? Why is it a problem?

How do each of them feel right now? Why?

What could they do to solve the problem?

What could they say to ask for help?
