

Can't we do better?

"We have been convinced that the seemingly intractable problems affecting our healthcare system are beyond our ability to influence and that we must simply grin and bear its costs and inefficiencies, year after year after year."

We can do better.

Debra's Gifts Lorraine

Paul Noznisky, 2013-08-01 *Mother's Statement* This book is about our experience with my daughter Debra's walk with cancer. It is every mother's nightmare losing a child. It began the first day my daughter was diagnosed. Never did I consider the possibility that my diary would serve any purpose other than to try to understand the mystery and confusions or lack of information or misinformation during her treatments, also our hopes, disappointments, the roller coaster of emotions and the confusing medications. We have never been able to verify her treatments as after numerous requests we were not given Debra's medical records. *Ames v. Ames*, 235 MICH 363 (1926), 1926 169 **American Art to 1900** Sarah Burns, John Davis, 2023-09-01 From the simple assertion that words matter in the study of visual art, this comprehensive but eminently readable volume gathers an extraordinary selection of words, painters and sculptors writing in their diaries, critics responding to a sensational exhibition, groups of artists issuing stylistic manifestos and poets reflecting on particular works of art. Along with a broad array of canonical texts, Sarah Burns and John Davis have assembled an astonishing variety of unknown, little known or undervalued documents to convey the story of American art through the many voices of its contemporary practitioners, consumers and commentators. *American Art to 1900* highlights such critically important themes as women artists, African American representation and expression, regional and itinerant artists, Native Americans and the frontier, popular culture and vernacular imagery, institutional history and more. With its hundreds of explanatory headnotes providing essential context and guidance to readers, this book reveals the documentary riches of American art and its many intersecting histories in unprecedented breadth, depth and detail. From the simple assertion that words matter in the study of visual art, this comprehensive but eminently readable volume gathers an extraordinary selection of words, painters and sculptors writing in their diaries, critics responding to a sensational exhibition. *Happily* Kevin A. Thompson, 2018-10-16 In the beginning marriage doesn't seem as though it should be all that difficult. But it doesn't take long for trouble to seep in and for bad habits to become entrenched. Before long many married couples may be wondering when the worse part ends and the better part starts. Pastor and author Kevin A. Thompson has good news for couples: the better part is always within reach when they practice eight specific commitments to each other. These commitments have the power to solve almost any problem a marriage faces and to prevent new ones from occurring. With biblical insights and engaging personal stories, Thompson shows couples how to see their marriage as bigger than themselves, avoid both apathy and aggression, release the desire for power, make and maintain peace, endure difficult times and more. Perfect for newlyweds and for married couples at any stage of life, *Happily* is the gateway to a more loving, more joy-filled marriage. **Why Can't We Just Get Along** Anthony Hughes, 2021-08-17 This book combines the history of American descendants of slaves with contemporary events to explain the animus existing between the two Americas, one white, one black. WHY CAN'T WE ALL JUST GET ALONG answers Rodney King's question by delving into the weeds of the true black experience in America: slavery, post-civil war black codes, Jim Crow, segregation, lynching, medical experimentation on men, women and children, and race riots flaring up in every major

city of the country This unique odyssey illustrates the struggles tears and generations of the heartbreak of a race of people whom America would long to forget Ignoring the fact that African Americans built large segments of the United States making it the wealthiest nation in the entire world the world still views them under the lens of hate disdain and mistrust Though they have proven their worth as a community the dominant society still places them in a position at the bottom rung of society Though unpublished when originally written in 2005 the unabridged history lessons included in this book still resonate today Distant Star Jan Young,2015-10-17 Exiled from Earth forty thousand people make a seven generation trek to a new star a new planet and a new home Along the way they encounter technical difficulties mysterious aliens new diseases and dissention within their own ranks **The Midland Monthly** ,1897 **Trapped in a Happy Life** Michael F. The Lanny Budd Novels Volume Two Upton Sinclair, 2018-04-17 Books four
 through six in the Pulitzer Prize winning series of historical novels about an international spy in the first half of the twentieth
 century An ambitious and entertaining mix of history adventure and romance Upton Sinclair's Pulitzer Prize winning Lanny
 Budd novels are a testament to the breathtaking scope of the author's vision and his singular talents as a storyteller Few
 works of fiction are more fun to read fewer still make history half as clear or as human Time In these three novels as the

threat of Nazism grows in the 1930s Lanny progresses from international art dealer to international spy Wide Is the Gate When his arms dealer father strikes a business agreement with Hermann G ring Lanny uses the opportunity and his art world reputation to move easily among the Nazi high command and gather valuable information he can transmit back to those who are dedicated to the destruction of Nazism and Fascism He s playing a dangerous albeit necessary game which will carry him from Germany to Spain on a life and death mission on the eve of the Spanish Civil War The Presidential Agent In 1937 Lanny s boss from the Paris Peace Conference now one of Roosevelt s top advisors connects him to the president Appointed Presidential Agent 103 he embarks on a secret assignment that takes him back into the Third Reich as the Allied powers prepare to cede Czechoslovakia to Adolf Hitler in a futile attempt to avoid war But Lanny s motivations are not just political The woman he loves has fallen into the brutal hands of the Gestapo and Lanny will risk everything to save her Dragon Harvest Lanny has earned the trust of Adolf Hitler and his inner circle who are convinced the American art dealer is a true believer committed to their Fascist cause But when Roosevelt s secret agent learns of the F hrer s plans for conquest his dire warnings to Neville Chamberlain and other reluctant European leaders fall on deaf ears The bitter seeds sown decades earlier with the Treaty of Versailles are now bearing fruit and there will be no stopping the Nazi war machine as it rolls relentlessly on toward Paris
