Reasons You Know You Is Ah True Trini English Edition:

Mortallone ; and Aunt Trinidad Arthur Quiller-Couch,1918 **The Dangerous Dream** Paul W. Silver,2010-07-14

Typhoon earthquake explosion upheaval are words connoting waste and destruction to be sure But remember there is a creative aspect to catastrophe which sweeps away the old and prepares the way for the new Be that as it may in describing the presidency of Duffy Artois the word revolution is simply inadequate Firestorm might be a word used by members of the two party machine that governed America before Artois But in truth no single word suffices Only a bookful of words might hope to capture the visionary reel of the Artois era Hence The Dangerous Dream We can discover no writing nor record that predicted greatness for the ambitious and popular boy growing up in Los Angeles growing first into a passable scholar then into a criminal attorney into a prosecutor a district attorney and climactically in 1998 into the California governor s mansion Young Duffy Artois seemed destined merely for worldly success In 2002 as California governor Artois bravely took all the blame for an abyssal budget deficit even though there was plenty of blame to go around After one 4 year term he was narrowly defeated for reelection For the next 5 years he was content to work behind the scenes as a consultant speechwriter campaign manager He was content to be invisible All the while in the privacy of his heart a critical mass was smoldering Historians may quibble about whether the catharsis began during his term as governor or afterward There is no quibble about the historical fact that by 2007 the year a man named Skipper came along and lighted the fuse Artois had morphed into a walking talking megaton bomb

Sweet and Sour Trinidad and Tobago Johnny Coomansingh,2010-09-03 This book was written primarily for the people of Trinidad and Tobago Nevertheless it would be of great interest to the Caribbean Diaspora and individuals who wish to understand the social cultural political and economic dynamics of a developing Caribbean nation Partially written in dialect the text has afforded him a forum to reveal some secret and uncomfortable episodes in his life His carefree style has allowed ample humor making the narrative quite entertaining In his research on the Steelpan the national instrument of Trinidad and Tobago he was able to take an unbiased glimpse of the twin island state and its incomparable sweetness no matter how twisted the sugarcane owns its sugar However despite the sweetness many terrible upheavals in the society have caused an unforgivable nasty sourness in the system
