## **Rebekah The Voice Of God:**

**Rebekah, the Voice of God** Brenda Adams, 2014-12-09 There is no darkness that God's love cannot penetrate Rebekah the Voice of God is a love story A story of God's love for His children that goes beyond personal comfort or temporal happiness A love so great that He is willing to be misunderstood and blamed when He allows even creates situations that go against our belief system Only in God's economy can good come from bad beauty from ashes triumph from trauma life from death or a beautiful ending to tragic beginnings Rebekah was God's love gift to us and we received her message with grateful hearts This beautiful little girl born with Down syndrome never spoke a word or played any childhood game and I never heard her call me Mama but her life was God's voice to a family that desperately needed her It is our desire that you will hear the Voice of God through her story and be changed by God's great love for you Paul and Matthew Among Jews and Gentiles Ronald Charles, 2020-12-10 Terence L Donaldson's scholarship in the field of New Testament studies is vital as he has pressed scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson's contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson's work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and Pharisees this book provides a multi scholar tribute to Donaldson's accomplishments Barrenness: Journey to God's Divine Provision Blanche Clipper Hudson, 2015-10-27 Five Hebrew matriarchs journey away from barrenness shame and disgrace finally coming to fruitfulness Through God's grace barren wives conceive and birth sons In Abraham's family three generations of matriarchs are barren and the seed is seemingly in danger of not being multiplied The author shares the story of her season of spiritual barrenness and shows the connection between physical and spiritual barrenness as well as the principles of fruitfulness that she learned A monograph of a biblical character precedes each chapter to further the journey theme and reflection questions follow each chapter to present opportunities for individual insight For small group study a Journey study guide provides a format for weekly or monthly sessions Knowing God's Voice Kenneth C. Ulmer, 2011-09-01 If you are doing all of the talking it is likely that you will not hear what others have to say let alone gain from their counsel insight and wisdom if this is true with humans isn't it even more so with God It is difficult sometimes in our era of financial collapse ongoing war and increasing alienation from each other to feel confident that the Almighty takes a personal interest in our lives Knowing God's Voice is the assurance so many people are waiting for God is interested He has a lot to say Readers will learn to discern God's voice from the background

**Construction of Gender and Identity in Genesis** Karalina Matskevich, 2019-01-24 Karalina Matskevich examines the structures that map out the construction of gendered and national identities in Genesis 2:3 and 12:36 Matskevich shows how the dominant Subject the androcentric ha adam and the ethnocentric Israel is perceived in relation to and over against the Other represented respectively as female and foreign Using the tools of narratology semiotics and psychoanalysis Matskevich highlights the contradiction inherent in the project of dominance through which the Subject seeks to suppress the transforming power of difference it relies on for its signification Thus in Genesis 2:3 ha adam can only emerge as a complex Subject in possession of knowledge with the help of woman the transforming Other to whom the narrator and Yahweh attributes both the agency and the blame Similarly the narratives of Genesis 12:36 show a conflicted attitude to places of alterity Egypt the fertile and seductive space that threatens annihilation and Haran the mother's land a complex metaphor for the feminine The construction of identity in these narratives largely relies on the symbolic fecundity of the Other

Irvin D. Yalom, 2012-03-06 A haunting portrait of Arthur Rosenberg one of Nazism's chief architects and his obsession with one of history's most influential Jewish thinkers In The Spinoza Problem Irvin Yalom spins fact and fiction into an unforgettable psycho philosophical drama Yalom tells the story of the seventeenth century thinker Baruch Spinoza whose philosophy led to his own excommunication from the Jewish community alongside that of the rise and fall of the Nazi ideologue Alfred Rosenberg who two hundred years later during World War II ordered his task force to plunder Spinoza's ancient library in an effort to deal with the Nazis Spinoza Problem Seamlessly alternating between Golden Age Amsterdam

and Nazi Germany Yalom investigates the inner lives of these two enigmatic men in a tale of influence and anxiety the origins of good and evil and the philosophy of freedom and the tyranny of terror      Women on the Biblical Road Mishael Caspi, Rachel S. Havrelock, 1996 This book investigates the feminine traditions of the Hebrew Bible in a readable manner pertinent to contemporary times It is unique in its focus on the experiences of biblical women and not how they were perceived within a patriarchal context Women on the Biblical Road explores through an eco feminist lens female heroes their journey cycles and the oral tradition from which these stories originate At the core of this look at women on the biblical road is the book of Ruth the Bible s most complete tale of the female adventure Caspi and Havrelock point out that the journey of Ruth and Naomi corresponds with a cycle of return and redemption inseparable from Ruth s and Naomi s experience on the road The authors also propose that this story of two women from distinctly different places who are able to fuse their goals and help each other survive points to plausible cultural reconciliation in the Middle East and beyond This book is intended for any university class studying the Hebrew Bible courses at synagogues or churches and women interested in tracing female spiritual traditions Women on the Biblical Road is an important book for the Women s Spirituality Movement and will surely appeal to the contemporary woman interested in reconstructing women s traditions
