In 1999 the Reverend Jerry Falwell outed Tinky Winky the purple character from TV's Teletubbies Events such as this reinforced in many quarters the common idea that evangelicals are reactionary out of touch and just plain paranoid But reducing evangelicals to such caricatures does not help us understand their true spiritual and political agendas and the means they use to advance them *Shaking the World for Jesus* moves beyond sensationalism to consider how the evangelical movement has effectively targeted Americans as both converts and consumers since the 1970s Thousands of products promoting the Christian faith are sold to millions of consumers each year through the Web mail order catalogs and even national chains such as Kmart and Wal Mart Heather Hendershot explores in this book the vast industry of film video magazines and kitsch that evangelicals use to spread their message Focusing on the center of conservative evangelical culture the white middle class Americans who can afford to buy Christian lifestyle products she examines the industrial history of evangelist media the curious subtleties of the products themselves and their success in the religious and secular marketplace To garner a wider audience Hendershot argues evangelicals have had to carefully temper their message But in so doing they have painted themselves into a corner In the postwar years evangelical media wore the message of salvation on its sleeve but as the evangelical media industry has grown many of its most popular products have been those with heavily diluted Christian messages In the eyes of many followers the evangelicals who purvey such products are sellouts hucksters more interested in

making money than spreading the word of God Working to understand evangelicalism rather than pass judgment on it Shaking the World for Jesus offers a penetrating glimpse into a thriving religious phenomenon The Freedom Formula David Finkel,2019-09-03 Building a successful company and career doesn't mean sacrificing your family health or life You check email the moment you lift your head off the pillow in the morning You bring work with you on vacation sneak glances at your smart phone during family dinners and take business calls and texts at your kid's sports games It's as if you've been forced to make a choice between your company or your life sacrificing time for yourself and family for the sake of career success But it doesn't have to be that way The most successful business leaders have learned to bust through the direct one to one relationship between hours worked and value created by refocusing their company department or team's best talent and attention on their highest value activities generating hundreds even thousands of hours of value in the process In The Freedom Formula Wall Street Journal bestselling author and successful entrepreneur David Finkel will help you operationalize working smarter No fluff no theory Finkel shares the detailed blueprint to create maximum value for your company without working nights weekends or while on vacation You'll learn Why working longer and harder doesn't pay off and what actually does Why the 80/20 principle doesn't go far enough and how to take it to its most productive extreme How to escape the Time and Effort Economy How to structure your day and week so that you reclaim five or more hours each week in usable blocks of your best time How to leverage the five Freedom Accelerators to get your life back faster And much more Whether you're a business owner top executive key manager or aspire to be one The Freedom Formula offers a radical new approach to structuring your time and priorities and your team's in order to reclaim hours of your day and the freedom to live your life not just your job **Believe It Or Not!** Pearson Education,2002-04-26 Navigator is a KS2 reading scheme which covers fiction and non fiction It provides material to give pupils a 20 minute guided reading session per week during each school year *Macworld*,1997 *Education Rocks* Robert "Bob" Sprague,2022-03-23 *Education Rocks Changing Rock Colors* By Robert Bob Sprague *Education Rocks* is a volume encompassing the decades of author Robert Sprague's experience as a teacher at many different school districts Find within personal notes from students school district officials and various teachers that illustrate the effect Sprague's journey of education had on those around them as well as the effect it had on him **Raising Musical Kids** Robert A.
