Wear, 1889 **Cry of the Rocks** Pixie Emslie, 2012-07-01 The mystique of mining has always fascinated people Cry of the Rocks is a novel about the issues and dangers of deep rock mining It describes life at Nkuti a modern deep rock platinum mine in post apartheid South Africa and takes the reader into the depths of the earth to the grueling work face as well as to the harsh reality of life above ground But Cry of the Rocks is also a thriller which includes kidnapping a murder and an international conspiracy With its modern multi racial mix of characters the story probes deeply into the lives of the people of Nkuti where a mysterious man threatens the miners into sabotaging the mine while also carrying out two kidnappings Then a series of rock bursts trap dozens of miners below ground Can the miners be saved The novel gives good insight into mining as shift upon shift of thousands of hard men descend into the bowels of the earth to pick and blast their way through tons of rock in conditions of heat humidity lack of air and light *New Girl on the Job* Hannah Seligson, 2008 Combining extensive research and interviews with high powered female executives and hundreds of women from college seniors to recent graduates to young women in the workforce this is a girl s guide to the workplace from etiquette and expectations to wardrobe and war stories **The House That Madigan Built** Ray Long, 2022-03-03 Michael Madigan rose from the Chicago machine to hold unprecedented power as Speaker of the Illinois House of Representatives In his thirty six years wielding the gavel Madigan outlasted governors passed or blocked legislation at will and outmaneuvered virtually every attempt to limit his reach Veteran reporter Ray Long draws on four decades of observing state government to provide the definitive political analysis of Michael Madigan Secretive intimidating shrewd power hungry Madigan mesmerized his admirers and often left his opponents too beaten down to oppose him Long vividly recreates the battles that defined the Madigan era from stunning James Thompson with a lightning strike tax increase to pressing for a pension overhaul that ultimately failed in the courts to steering the House toward the Rod Blagojevich impeachment Long also shines a light on the machinery that kept the Speaker in power Head of a patronage army Madigan ruthlessly used his influence and fundraising prowess to reward loyalists and aid his daughter s electoral fortunes At the same time he reshaped bills to guarantee he and his Democratic troops shared in the partisan spoils of his legislative victories Yet Madigan s position as the state s seemingly invulnerable power broker could not survive scandals among his close associates and the widespread belief that his time as Speaker had finally reached its end Unsparing and authoritative *The House That Madigan Built* is the page turning account of one the most powerful politicians in Illinois history When the Dogs Bark "Treedom" Elliott S. Barker, The culmination of a lifetime of hound dogging and hunting of the big cats in an action packed year of adventure on the famous Vermejo Park Ranch in northern New Mexico The pages of *When the Dogs Bark Treedom* vividly reflect the author s love for wildlife and for wild places It is a portrayal of a conservationist and administrator of wildlife resources who came up the hard way It incidentally presents a vast store of information about game and predators and their environment which the author has

gleaned from long years of firsthand contacts Only the pioneer who helped blaze the dangerous difficult trails of exploration and conquest could fully appreciate the part played by horses and dogs in his adventures Elliott Barker appreciated his dogs and horses and gives them a full share of credit for his success in following and destroying the larger predaceous animals One has only to follow the story as it swiftly unfolds to appreciate the fact that the author is a product of the saddle and of the mountains and forests of his beloved Sunshine State No other was better qualified to pen the pages of this book rich in romance and factual material than Elliott Barker the first State Game Warden of New Mexico and no stage more fitting for the enactment of the drama than the Vermejo Park property a part of the famous old Maxwell Land Grant still in almost primitive state in northern New Mexico
