**The Kennedy Family and the Story of Mental Retardation** Edward Shorter, 2000 According to Edward Shorter just forty years ago the institutions housing people with mental retardation MR had become a national scandal The mentally retarded who lived at home were largely isolated and a source of family shame Although some social stigma still attaches to the people with developmental disabilities a range of conditions including what until recently was called mental retardation they now actively participate in our society and are entitled by law to educational social and medical services The immense improvement in their daily lives and life chances came about in no small part because affected families mobilized for change but also because the Kennedy family made mental retardation its single great cause Long a generous benefactor of MR related organizations Joseph P Kennedy made MR the special charitable interest of the family foundation he set up in the 1950s Although he gave all of his children official roles he involved his daughter Eunice in performing its actual work identifying appropriate recipients of awards and organizing the foundation s activities With unique access to family and foundation papers Shorter brings to light the Kennedy family s strong commitment to public service showing that Rose and Joe taught their children by precept and example that their wealth and status obligated them to perform good works Their parents expected each of them to apply their considerable energies to making a difference Eunice Kennedy Shriver took up that charge and focused her organizational and rhetorical talents on putting MR on the federal policy agenda As a sister of the President of the United States she had

access to the most powerful people in the country and drew their attention to the desperate situation of families affected by mental retardation Her efforts made an enormous difference resulting in unprecedented public attention to MR and new approaches to coordinating medical and social services Along with her husband R Sargent Shriver she made the Special Olympics a international annual event in order to encourage people with mental retardation to develop their skills and discover the joy of achievement She emerges from these pages as a remarkable and dedicated advocate for people with developmental disabilities Shorter s account of mental retardation presents an unfamiliar view of the Kennedy family and adds a significant chapter to the history of disability in this country Author note Edward Shorter is a Professor at the University of Toronto where he holds the Hannah Chair in the History of Medicine He is the author of A History of Psychiatry from the Era of the Asylum to the Age of Prozac as well as many other books in the fields of history and medicine

Exporting 'Made in America' Democracy Colin S. Cavell,2002-12-28 Exporting Made In America Democracy examines the various contradictory tensions that democracy promotion produces in the context of an increasingly capitalist globalization of the world that has accelerated in the post Cold War period and into the 21st century According to the author the Cold War between the U S and the Soviet Union 1945 1991 brought the question of democracy to the forefront of modern political debate and the subsequent collapse of the Soviet model was in part a consequence of the U S projection of its own capitalist democracy as a model to be exported and emulated throughout the world Cavell argues the promise of democracy as an Enlightenment ideal has been to transcend the dichotomy of ruler and ruled by establishing self rule of the people themselves as the normative basis of governance in the modern world To the contrary the U S National Endowment for Democracy NED is promoting a market oriented democracy benefiting corporate interests which enhance U S economic and political hegemony

**Enabling Flexibility in Process-Aware Information Systems** Manfred Reichert,Barbara Weber,2012-08-28 In today s dynamic business world the success of a company increasingly depends on its ability to react to changes in its environment in a quick and flexible way Companies have therefore identified process agility as a competitive advantage to address business trends like increasing product and service variability or faster time to market and to ensure business IT alignment Along this trend a new generation of information systems has emerged so called process aware information systems PAIS like workflow management systems case handling tools and service orchestration engines With this book Reichert and Weber address these flexibility needs and provide an overview of PAIS with a strong focus on methods and technologies fostering flexibility for all phases of the process lifecycle i e modeling configuration execution and evolution Their presentation is divided into six parts Part I starts with an introduction of fundamental PAIS concepts and establishes the context of process flexibility in the light of practical scenarios Part II focuses on flexibility support for pre specified processes the currently predominant paradigm in the field of business process management BPM Part III details flexibility support for loosely specified processes which only partially specify the process model at build time while decisions regarding

the exact specification of certain model parts are deferred to the run time Part IV deals with user and data driven processes which aim at a tight integration of processes and data and hence enable an increased flexibility compared to traditional PAIS Part V introduces existing technologies and systems for the realization of a flexible PAIS Finally Part VI summarizes the main ideas of this book and gives an outlook on advanced flexibility issues The book s target groups include researchers PhD students and Master students in the field of information systems After reading the book they will better understand PAIS flexibility aspects To support the easy use as a textbook a series of exercises is provided at the end of each chapter and slides and further teaching material are available on the book s web site [www.flexibleprocesses.com](http://www.flexibleprocesses.com) Professionals specializing in business process management BPM who want to obtain a good understanding of flexibility challenges in BPM and state of the art solutions will also benefit from the presentations of open source as well as commercial process management systems and related practical scenarios
