Dear Mark,

I am writing this letter to thank you for your outstanding work on the DORIIS project. Your Oracle functional expertise and attention to detail were tremendously valuable on the project.

You joined the project at a very busy and critical time. You were able to quickly understand the objectives and priorities and make positive, quality contributions to the design, configuration, and testing processes. The quality of your work was recognized and appreciated by other functional team members, the client, and technical staff alike.

Again, I would like to express my sincere thanks for your contributions to our successful implementation of the DORIIS project. I look forward to the opportunity to work together again.

Sincerely,

Jeff J. Dew
