David, 2022-11-03 Filipino Americans are one of the three largest Asian American groups in the United States and the second largest immigrant population in the country. Yet within the field of Asian American Studies Filipino American history and culture have received comparatively less attention than have other ethnic groups. Over the past twenty years however Filipino American scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group. The SAGE Encyclopedia of Filipina x o American Studies the first on the topic of Filipino American Studies offers a comprehensive survey of an emerging field focusing on the Filipino diaspora in the United States as well as highlighting issues facing immigrant groups in general. It covers a broad range of topics and disciplines including activism and education arts and

humanities health history and historical figures immigration psychology regional trends and sociology and social issues
