White,2018-07-31 Headlined by New York Times bestseller Carl Weber three authors bring readers tales of power greed and ambition set in some of the country s roughest neighborhoods Sibling Rivalry by Carl Weber They say the parent s sins always fall into the children s laps Twins Kayden and Jayden Vincent have walked in their father s kingpin shadow as two princes fighting for the same throne since they were children Now finally at the age where the transition is inevitable it seems as if the twins are going head to head when it comes to everything around them What they don t know is that the crown they are fighting for comes with its own burdens like a past the kingpin forgot to tell them about It s a past that if not dealt with will leave both men without an empire to inherit Love Seldom Trust Never by Ty Marshall While attending his estranged father s funeral East is approached by the legendary Ricardo Wheeler who offers him the opportunity of a lifetime Wheeler takes the young man under his wing but when Wheeler s son and heir in waiting becomes jealous his excessive ambition and quest for power lead to betrayal A treacherous war is set in motion that will force the powerful legend to choose between his two sons Anything built on a lie will eventually crumble When no one and nothing are what they seem who can you trust The Bag Is In by Marlon PS White Slow grinding for years Greedy and GiGi are ready to step up their game with a thirst to be Detroit s King and Queen of the Trap The struggle is real but the payoff will be major After cashing out their middleman up front the couple s hood dream tragically turns into a nightmare The middleman is popped and the infamous Mexican pipeline is broken Greedy and GiGi devise a seemingly flawless plan to not only recoup their invested cash but to link up with one of the most notorious cartels across the border What seems like sunshine quickly turns to rain however and chaos erupts **SILENT PREDATOR** Tracey Elise Johnson ,2025-09-19 This is my story of when

my home became a hunting ground Enduring relentless stalking and harassment by a neighbor OT who began targeting me after rejecting his sexual advances On the surface O T is the picture of contradiction An unauthorized occupant not on the lease he lives with his elderly hearing impaired father in an apartment where he has no legal right to reside With both parents being hearing impaired as his mother lives in the next building both parents condone his wrong doing O T seems like a respectable man on the outside In his late 50s to early 60s with a slim build and an aging face he portrays himself as a good guy He s in a band selling music worldwide comes from a seemingly upright family his sister works for the prison system and his brother in law is a preacher But beneath this facade lies a predator darker truth Iron Sharpens Iron Errick A.

we survived troubled times when we had no way but made a way out of no way by the goodness and gracefulness from my LORD and SAVIOR JESUS CHRIST I therly go into details in depth about each one of my children in these novels on how their lives were turned upside down in the blink of an eye We were thrown out to society to be the most hated family in all the surrounding areas we lived in and lived nearby We survived deaths threats and actions that were brought to our home and reported to the local police department with no action taken on their part I am a mother of 5 children and each one of them was impacted by racism and hate in many ways that was reported with no action taken I wanted to write these novels for my children because I felt as if I couldn t protect them when they needed to be protected These novels speak about how corrupted and disloyal the system is to African American people These Novels are based on what its like being born black outlining how the black alpha males in my family had a strike against them when they were born into this world as a black male In these readings I detail the differences made when you re a black male and black female born into a society that controls the maintenance of your life When I say maintenance I mean the fact of how you are stereo typed be how you wear your hair how you talk how you walk how you are restricted from wearing certain colors your body language and your eye contact that s displayed while in front of certain white officials The fact that as a black male when your brought up against charges with the law you are automatically guilty and you must prove your innocence When the law clearly states that you are innocent and you must be proven guilty well that sounds good but that s not how it is as a black male or female Racism is live and well in this country we live in called America home of the free
