The Worth of a Man Catherine

Dorsette,2014-09-15 Too often people are tempted to give up on others and most times they actually do particularly when things attitudes and circumstances are seemingly unchangeable But God wants to remind us that with Him all things are possible that there is hope for anyone alive today no matter what the situation is or may have been All that is required is for that one to reach out and accept the outstretched arms of the Savior Jesus Christ and He will lift up and set that one the Rock to stay Does God Send Sickness? Troy J. Edwards,2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar
