

A person is walking away from the viewer down a long, straight road that stretches towards the horizon. The sky is filled with dark, heavy clouds, but a brilliant, golden light source, possibly the sun or moon, is breaking through the clouds on the left side, creating a powerful lens flare and illuminating the scene. The person is wearing a dark jacket and is walking towards the light. The overall mood is one of hope and perseverance.

Notes from the Exposition of Matthew* Henry, 1836     **The Search-light**, 1903     **Finding Hope and Faith in the Face of Death** Stephen A. Karol, 2018-04-11 This book is about giving people hope and faith comfort and inspiration when a death occurs It is based on my experiences throughout my forty year career as a rabbi in helping my congregants deal with the emotions and thoughts that occur when a loved one dies I have grown to understand and have taught about the importance of community when we are mourners and of the absolute emotional and spiritual power of prayer The book includes lessons that I have learned personally and professionally lessons that are relevant to the very real issues brought on by sorrow and regret My messages not only educate those who read them but also convey a sense of faith and hope that can positively affect our transition from mourning to living our lives And they are valid for Jews and non Jews alike those who attend services and those who don't     Look Back in Hope Keith W. Clements, 2017-07-07 A child of China missionary parents Keith Clements looks back on a life rich in diverse experiences in many parts of the world as pastor theologian writer and servant of the ecumenical movement In so doing he finds hope for the creation of true community in the world of people among themselves with God and with creation That is what the gospel of Christ is all about what the church is about and indeed what God who lives and loves as three in one is all about He recalls instances of grace in which even amid conflict and tragedy people churches and communities discover the possibilities of new life together It is both a very human story of personal faith and an insider's account of ecumenical Christianity's quest for a more visibly united church and a world of peace and justice Famous influences like Dietrich Bonhoeffer and present day leaders such as Desmond Tutu figure prominently but so do so called ordinary people he has met over the years whether in an English village in communist East Germany or in a South African squatter camp who have shown by the way they live that another world and another kind of church is possible     *Finding Hope* Janice Kay Johnson, 2021-06-29 In this heartwarming and affecting Amish romance a young woman has the chance to begin a new life in the Amish community after old betrayals

**This World of Turmoil** Trevor Bartley,2016-09-24 The resurrection message is the most important part of our belief system Without the truth of the resurrection message our faith is just another religion with no real substance The Resurrection sets Christianity apart This book is dedicated to establishing this truth The extent of the work of Christs resurrection is staggering However if there is one topic that is the central message of the Bible it is the sacrifice of Christ The Old Testament looks forward to it whereas the New Testament looks back at it We must be extremely careful not to allow these two ordinances to become routine in our Christian life communion and baptism and thereby reduce the significance of what Jesus did for us at his sacrifice and resurrection The greatest gift that anyone can be given is eternal life and the one that made that possible is Jesus In Christ we have victory provided we see ourselves dead to sin and raised together with him Even so consider yourselves also dead to sin and your relation to it broken but alive to God living in unbroken fellowship with Him in Christ Jesus Romans 6 11 AMP I have been crucified with Christ in Him I have shared His crucifixion it is no longer I who live but Christ the Messiah lives in me and the life I now live in the body I live by faith in by adherence to and reliance on and complete trust in the Son of God Who loved me and gave Himself up for me Therefore I do not treat Gods gracious gift as something of minor importance and defeat its very purpose I do not set aside and invalidate and frustrate and nullify the grace unmerited favor of God For if justification righteousness acquittal from guilt comes through observing the ritual of the Law then Christ the Messiah died groundlessly and to no purpose and in vain His death was then wholly superfluous Galatians 2 2021 AMP We need to remember that the story doesnt end with Jesuss death He is currently in heaven in his resurrected body and one day he will return The resurrection of Jesus was an act of the supreme love of God Remember our identification is in who we are in Christ and his resurrection The Bible tells us in John 14 12 that the things Christ has done we can do and greater than these we will do because he goes to the Father The resurrection demonstrated Jesuss victory over the power of death and confirms there is life beyond the grave Jesus Christ offers us a resurrection power beyond ourselves that can make us alive it empowers us to overcome the limitations of this realm with an infused ability as we focus on the Spirit of power working within us I hope you receive much insight and revelation as you discover the wholeness of what Jesus achieved for you and me
