¹ The total test administration time is an estimate that normally includes time for the test administrator to read general instructions to the students, for students to code the background information, and, where appropriate, for students to take scheduled short breaks.

² Students are to receive sufficient time to complete the competency tests.

³ Beginning July 2000, the number of End-of-Course math test questions and test administration time decreased to accommodate the North Carolina State Board of Education policy stating that EOC tests shall be given within a 110-minute period.

⁴ For the 2000-2001 school year, 15 minutes will be added to the administration of reading comprehension and mathematics test sections of the High School Comprehensive Test. Extra time is no longer allowed as a part of regular state test administrations.
