thousands of people think that they are ready for the ACE Personal Trainer Certification but realize too late when they get their score back that they were not ready at all. They weren't incapable and they certainly did their best but they simply weren't studying the right way. There are a variety of methods to prepare for the ACE Personal Trainer Certification and they get a variety of results. Trivium Test Prep's ACE Personal Trainer Certification Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the ACE Personal Trainer Certification can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our ACE Personal Trainer Certification study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand and have fully explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam. ACE Personal Trainer Certification practice questions are included so that you can know without a doubt that you are prepared. Our study guide is streamlined and concept-driven, not filled with excess junk, silly attempts at humor, or confusing filler, so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our ACE Personal Trainer Certification study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn and have created the ACE Personal Trainer Certification study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our ACE Personal Trainer Certification study guide is specifically tailored for your exact needs. We refuse to pad a study guide as a means to convince people there is more information; this is a devious trick used to make you think you are getting more when really it's all just wasting your time.

NASM Essentials of Personal Fitness Training, 2008. Developed by the National Academy of Sports Medicine (NASM), this book is designed to help people prepare for the NASM Certified Personal Trainer (CPT) Certification exam or learn the basic principles of personal training using NASM's Optimum Performance Training (OPT) model. The OPT model presents NASM's protocols for building stabilization, strength, and power. More than 600 full-color illustrations and photographs demonstrate concepts and techniques. Exercise color-coding maps each exercise movement to a specific phase on the OPT model. Exercise boxes demonstrate core exercises and detail the necessary preparation and movement. Other features include research notes, memory joggers, safety tips, and review questions. [ACE Personal Trainer Study Guide](#) Ace Personal Trainer Exam Prep Team, Trivium Test Prep, 2017-09-25.
