Feminist Knowledge (RLE Feminist Theory) Sneja Gunew,2013-05-20 The minority feminist viewpoints have often been submerged in the interests of maintaining a mainstream universal model of feminism This anthology takes into account the various differences among women while looking at the important areas of feminist struggle While sisterhood is indeed global it certainly does not mean that all women are required to submerge their specific differences and assimilate to a universal model Consequently the collection includes essays by leaders in the field of post structuralist enquiry as well as by those immersed in the new spirituality and the social consequences of recent biological research Other essays reflect the political struggles which continue to be waged with different strategies by socialist and radical feminists and the self searching analyses undertaken by feminists uneasy about their inclusion within educational institutions and the radical new interpretations of sexuality within the cultural domain The collection begins with a critique of white mainstream feminism emanating from Aboriginal women in Australia The implications of the critique indicate that there is a pervasive racism within the feminist movement Routledge Library Editions: Feminist Theory Various,2021-04-28 Routledge Library

Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from The Liberation of Women to Feminists and State Welfare from Married to the Job to Julia Kristeva this set provides in one place a wealth of important reference sources from the diverse field of gender studies Feminist Knowledge Sneja Gunew,2012-10-11 This collection contains essays by leaders in the field of post structuralist enquiry as well as by those immersed in the new spirituality and the social consequences of recent biological research Other essays reflect political struggles being waged with different strategies by radical feminists and the analyses undertaken by feminists uneasy about their inclusion within educational institutions and the radical new interpretations of sexuality within the cultural domain World Marxist Review ,1959 **Transnational American**

Memories Udo Hebel,2009-09-04 The volume gathers twenty original essays by experts of American memory studies from the United States and Europe It extends discussions of U S American cultures of memory commemorative identity construction and the politics of remembrance into the topical field of transnational and comparative American studies In the contexts of the theoretical turns since the 1990s including prominently the pictorial and the spatial turns and in the wake of multicultural and international conceptions of American history the contributions to the collection explore the cultural productivity and political implications of both officially endorsed memories and practices of oppositional remembrance Reading sites of memory situated in or related to the United States as crossroads of transnational and intercultural remembering and commemoration manifests their possibly controversial function as platforms and agents in the processes of cultural exchange and political negotiation across the spatial temporal and ideological trajectories that inform American Studies as Atlantic Studies Hemispheric Studies Pacific Studies The interdisciplinary range of issues and materials engaged
