Guided by Meaning in Primary Literacy Joyce Armstrong Carroll, Kelley Barger, Karla James, Kristy Hill, 2016-12-12 Using a research based approach this book examines the critical connections between writing and reading and it explains how to encourage early literacy in the classroom and library How can teachers and librarians support true literacy in young learners Are very young children guided by meaning in constructing their reality and their relationship to the world What is the value of championing writing at the kindergarten level Guided by Meaning in Primary Literacy Libraries Reading Writing and Learning answers these questions and many more providing best practices in early literacy through explicit lessons in writing and reading and demonstrating how the library can extend learning in deep and powerful ways While some books emphasize reading others emphasize writing and still others focus on library instruction this profound resource brings all of the components of literacy together in a meaningful way Throughout the book the authors highlight examples of student writing anecdotes from the real world and connections between theory and what happens in practical application Unique in its thoroughness of content for this age group this text is essential reading for all early childhood teachers and librarians working in schools and in public libraries with young children The book also serves trainers working with teachers and librarians to increase their effectiveness in working with young children to promote early literacy

Reading Specialists and Literacy Coaches in the Real World Brenda A. Shearer, DeBorah A. Carr, MaryEllen Vogt, 2018-07-23 Now more than ever the roles and

responsibilities of today's literacy professionals are expanding. Many recent developments require a closer look at the changing careers of reading specialists, coaches, and administrators, leading to an emphasis on increased collaboration and coaching integration of standards and student improvement initiatives. Both scholarly and practical *Reading Specialists and Literacy Coaches in the Real World* provides the support and guidance both literacy and content area teachers need. The learning goals and outcomes in each chapter are aligned with ILA's Standards for the Preparation of Literacy Professionals 2017, providing opportunities for group inquiry and new perspectives on professional learning. The authors examine the historical, political, and social forces that shape evidence-based practice and incorporate significant developments in intervention, assessment, and adolescent literacy. Their impact on instruction and the needs of students are studied in conjunction with RtI, MTSS, progress monitoring, and differentiation. Instructional technologies related to twenty-first-century literacies, updated information about effective academic language instruction for English learners, and a moral imperative for fostering equity, social justice, and global perspectives. The Fourth Edition also provides Resource Materials to support the text, giving it a great deal of flexibility to explore projects for portfolios and self-assessment. In the real world, as learners among literacy professionals use their experiences and voices for advocacy to help prepare students for success in their lives and careers.
