The Universe a Vast Electic Organism George Woodward Warder,2018-04-05 Reproduction of the original The Universe a Vast Electic Organism by George Woodward Warder

THE UNIVERSE A VAST ELECTRIC ORGANISM GEORGE WOODWARD WARDER,1903 Experience of God and the Rationality of Theistic Belief Jerome I. Gellman,1997 Jerome I Gellman observes that the mystic experience of God s presence a sense of having direct contact with the divine often compels belief in God s existence On the basis of widely accepted principles connecting appearance with reality Gellman contends the claims people make of having experienced God show that belief in God is strongly rational meaning that such claims are sufficient in number and variety to support a line of reasoning making it rational to believe that God exists and irrational to deny God s existence Gellman considers challenges to his thinking based on epistemological grounds and challenges growing out of the diversity of religious experiences across the range of world religions He thoroughly evaluates reductionist explanations of apparent experiences of God and finds them incapable of invalidating his view Finally he directs his attention to the two most compelling arguments against the existence of God the charge that the idea of a perfect being is logically incoherent and the threat to theism based on the existence of evil in both its logical and probabilistic forms Until and unless stronger objections come along he concludes personal experiences of God constitute sufficient evidence of God s existence

Instructions in the Book of Tobit Francis M. Macatangay, 2011-03-29 Despite the resurgence of scholarly interest in the Book of Tobit in recent years an important aspect of this deuterocanonical book has been largely overlooked Within it there is an instruction manual for an effective way of being and living in exile namely the wisdom instructions in Tobit 4 With glances at Tobit 12 and Tobit 14 where the wisdom instructions are repeated in shorter form this monograph discusses the function of the wisdom discourse in the literary design of the narrative Moreover it examines how the wisdom instructions of Tobit demonstrate the vital role of the sapiential tradition in forming and maintaining Jewish identity in the Diaspora Contextualizing the wisdom instructions not only within the narrative but also within the realities of Second Temple Judaism it is argued that the author of Tobit saw the validity and employed the resources of the Jewish wisdom tradition in reinterpreting some of the traditional claims of covenant faith Using the Sinaiticus as the textual basis of study it shows that

the lengthy wisdom lecture of Tobit displays an inner logic that structures the collection of seemingly unrelated sayings The instructions reinterpret a major deuteronomic concern to remember the Lord always For Tobit the practice of righteousness the practice of wise behavior and the practice of prayer realize and concretize such remembrance Addressed to those in the Dispersion Tobit s wisdom instructions are meant to foster and shape a distinct ethos of truth righteousness and mercy
