Rock Around The Sex:

Story/telling Bronwen Ann Levy, Ffion Murphy, 2001 Story telling is an eclectic and fascinating collection of stories and stories about stories With passion and verve some of Australia s finest writers range through vast territory exploring new directions in film and media enigmas and creativity histories of mothering narratives of indigenous and migrant experience folk country and multicultural music traditions and dilemmas of interpretation These writers appreciate the power of stories for good and ill They interrogate narratives of Australia s past and present and call for new stories for changing times We hear voices raised one moment subdued the next as if we were sitting in the Forum tent at the Woodford Festival knowing that here and just beyond in paint dance music and words stories are happening in delicious abundance **Encyclopedia of Prostitution and Sex Work** Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn t it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women s studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn t Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution **Sexual Reckonings** Susan Cahn, 2012-03-05 Sexual Reckonings is the fascinating tale of adolescent girls coming of age in the South during the most explosive decades for the region Focusing on the period from 1920 to 1960 Susan Cahn reveals how both the life of the South and the meaning of adolescence underwent enormous political economic and social shifts Those years witnessed the birth of a modern awareness of adolescence and female sexuality that clashed mightily with the white

supremacist and patriarchal legacies of the old South As youth staked its claim the bodies and beliefs of southern girls became the battlefield for a transformed South which was like them experiencing growing pains Cahn reveals how young women both white and black were seen as the South's greatest hope and its greatest threat Viewed as critical actors in every regional crisis from the economic recession and urban migrations of the 1920s to the racial conflicts precipitated by school desegregation in the 1950s female teenagers became the conspicuous subjects of social policy and regional imagination All the while these adolescents pursued their own desires and discovered their own meanings creating cracks in the twin pillars of the Jim Crow South racial purity and white male dominance that would soon be toppled by the student led civil rights movement Sexual Reckonings is an amazingly intimate look at a time of deep personal exploration and profound cultural change for southern girls and for the society they inhabited a powerful account of the clash between a society's fears and the daily lives and aspirations of its most prized and unpredictable population

Censoring Sex John E. Semonche, 2007-07-20

In this gracefully written accessible and entertaining volume John Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America Censoring Sex also traces the story of how the cultural territory contested by those advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution

The Culture of Queers Richard Dyer, 2005-08-18 For around a hundred years up to the Stonewall riots the word used for gay men

was queers In The Culture of Queers Richard Dyer traces the contours of queer culture examining the differences and continuities with the gay culture which succeeded it Opening with a discussion of the very concept of queers Dyer asks what it means to speak of a sexual grouping having a culture and addresses issues such as gay attitudes to women and the notion of camp From screaming queens to sensitive vampires and sad young men and from pulp novels to pornography to the films of Fassbinder The Culture of Queers explores the history of queer arts and media **The Richard Dyer Reader**

,2023-08-10 Richard Dyer is a foundational figure for the critical study of cinema and popular culture Across a career spanning five decades he has made path breaking contributions to our understanding of stardom and celebrity gay and queer politics and cultural history film music race and whiteness and the pleasures of popular entertainment The Richard Dyer Reader brings together for the first time key writings by this vital and influential figure many of which are not otherwise available The anthology guides readers through Dyer s prolific and rich output through six thematic selections of essays and extracts each centred on a key theme in Dyer s work stardom and the image entertainment and ideology gay politics and representation whiteness the pleasures of popular entertainment and textual analysis A seventh section comprises a selection of interviews conducted across the span of his career as well as a new interview with editors Glyn Davis and Jaap Kooijman The book will provide an introduction for those new to Dyer s writings as well as offering a fresh perspective for readers with a more comprehensive knowledge of his work The collection includes archival and recent pieces of writing never previously anthologised newly commissioned essays a substantial introduction to Dyer s life and work and framing introduction to each section *Let's spend the night together* Subcultures Network,2023-11-07 Let s spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption education and employment so the boundaries of British morality and cultural propriety were tested and often transgressed Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper the gender bending of glam or the subterranean allure of an underground club disco the free love of the 1960s or the punk provocations in the 1970s sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour Drawing from scholarship across a range of disciplines the Subcultures Network explore how sex and sexuality were experienced presented conferred responded to and understood within the context of youth culture popular music and social change in the period between World War Two and the advent of AIDS The essays locate sex music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb **America's**

Musical Pulse Kenneth J. Bindas, 1992-09-30 Popular music may be viewed as primary documents of society and America's Musical Pulse documents the American experience as recorded in popular sound Whether jazz blues swing country or rock the music the impulse behind it and the reaction to it reveal the attitudes of an era or generation Always a major preoccupation of students music is often ignored by teaching professionals who might profitably channel this interest to further understandings of American social history and such diverse fields as sociology political science literature communications and business as well as music In this interdisciplinary collection scholars educators and writers from a variety of fields and perspectives relate topics concerning twentieth century popular music to issues of politics class economics race gender and the social context The focus throughout is to place music in societal perspective and encourage investigation of the complex issues behind the popular tunes rhythms and lyrics *Adolescence in Modern Irish History* Catherine Cox, Susannah Riordan, 2015-09-15 This edited collection is the first to address the topic of adolescence in Irish history It brings together established and emerging scholars to examine the experience of Irish young adults from the affective revolution of the early nineteenth century to the emergence of the teenager in the 1960s *Rockin' Out of the Box* Mimi Schippers, 2002 Employing the feminist insight that gender is a constantly shifting performance not an essential quality related to sex Schippers explores the gender roles transgressions assumptions of the men women involved in the hard rock scene **Popular Music Genres** Stuart Borthwick, Ron Moy, 2020-04-15 An accessible introduction to the study of popular music this book takes a schematic approach to a range of popular music genres and examines them in terms of their antecedents histories visual aesthetics and sociopolitical contexts Within this interdisciplinary and genre based focus readers will gain insights into the relationships between popular music cultural history economics politics iconography production techniques technology marketing and musical structure *England's Dreaming* Jon Savage, 2011-02-17 WINNER OF THE RALPH J GLEASON AWARD INCLUDES FOREWORD BY JOHNNY MARR Award winning Sunday Times bestselling author Jon Savage's definitive history of punk its progenitors the Sex Pistols and their time the late 1970s A pop culture classic full of anecdote insight and exclusive interviews *England's Dreaming* tells the sensational story of the meteoric rise and rapid decline of the last great rock n roll band and the cultural moment they came to define The definitive history of the English punk movement NEW YORK TIMES BOOK REVIEW Still the strongest history of punk GUARDIAN The best book about punk rock and pop culture ever NME **The Sexual Politics of Ballroom Dancing** Vicki Harman, 2018-10-10 This book presents an engaging sociological investigation into how gender is negotiated and performed in ballroom and Latin dancing that draws on extensive ethnographic research as well as the author's own experience as a dancer It explores the key factors underpinning the popularity of this leisure activity and highlights what this reveals more broadly about the nature of gender roles at the current time The author begins with an overview of its rich social history and shifting class status establishing the context within which contemporary masculinities and femininities in this community are explored Real and imagined

gendered traditions are examined across a range of dancer experiences that follows the trajectory of a typical learner from finding a partner attending lessons and forming networks through to taking part in competitions The analysis of these narratives creates a nuanced picture of a dance culture that is empowering yet also highly consumerist and image conscious a highly ritualised set of practices that both reinstate and transgress gender roles This innovative contribution to the feminist leisure literature will appeal to students and scholars of anthropology dance sport gender cultural and media studies

Free and Easy? Sean Griffin, 2017-05-25 A History of the American Musical narrates the evolution of the film musical genre discussing its influences and how it has come to be defined the first text on this subject for over two decades it employs the very latest concepts and research The most up to date text on the subject with uniquely comprehensive coverage and employing the very latest concepts and research Surveys centuries of music history from the music and dance of Native Americans to contemporary music performance in streaming media Examines the different ways the film musical genre has been defined what gets counted as a musical why and who gets to make that decision The text is written in an accessible manner for general cinema and musical theatre buffs whilst retaining theoretical rigour in research Describes the contributions made to the genre by marginalized or subordinated identity groups who have helped invent and shape the musical

Power Plays Power Works John Fiske, Black Hawk Hancock, 2016-02-05 Now more than 20 years since its initial release John Fiske's classic text Power Plays Power Works remains both timely and insightful as a theoretically driven examination of the terrain where the politics of culture and the culture of politics collide Drawing on a diverse set of cultural sites from alternative talk radio forums museums celebrity fandom to social problems such as homelessness Fiske traverses the topography of the American cultural landscape to highlight the ways that ordinary people creatively construct their social identities and relationships through the use of the resources available to them while constrained by social conditions not of their own choosing This important analysis provides a set of critical methodological and analytical tools to grapple with the complexities and struggles of contemporary social life A new introductory essay by former Fiske student Black Hawk Hancock entitled Learning How to Fiske Theorizing Power Knowledge and Bodies in the 21st Century elucidates Fiske's methods for today's students providing them with the ultimate guide to thinking and analyzing like John Fiske the art of Learning How to Fiske

Solid Gold R. Serge Denisoff, 2020-04-02 More than 90 record companies release over 9 000 pop records each year a staggering total of 52 000 songs Each one competes for the gold record the recording industry's symbol of success that certifies 1 million worth of records have been sold Solid Gold explains why for each record that succeeds countless others fail This book follows the progress of a record through production marketing and distribution and shows how a mistake made at any point can mean its doom Denisoff suggests that a drastic shift in the demographic makeup of the pop music audience during the sixties has resulted in a broader listening public including fans at every level of society

British Counter-Culture 1966-73 Elizabeth Nelson, 1989-09-25 A study of the atmosphere out of which the counter

culture grew the anti bomb movement and the emergence of youth and its music and culture The underground press forms the focus of an examination of its aspirations and significance and the failure of the counter culture to achieve its aims
