Tayler,2021-02-05 Two thousand years ago ancient Sparta developed a training system called the Agoge that produced the fiercest warriors the world had ever seen It was said that one Spartan soldier was the equal to four enemy soldiers and Sparta s system was the envy of the known world Can t get around the facts I m a lethal government operative trained from an early age Guns planes hands didn t matter I m proficient with them all I m irrationally drawn to Raisa Sokolov a beautiful mysterious Russian woman thrust into my life through a bizarre set of circumstances Thirdly certain experiences haunted me more than Moby Dick vexed Ahab Could I function effectively in light of everything I d seen and done Should I take the CIA s warnings about Raisa seriously Fast forward to April 1967 The United States was in crisis younger generations revolting after years of war in Southeast Asia A desperate President Johnson signs off on a program designed to find the best and brightest among America s youth children who could be taught from an early age to embrace devotion to the country A program that eerily resembled that of Sparta s Seven year old Damon Harker who possesses extraordinary mental and physical skills is among those chosen His parents grudgingly give permission for Damon to enter this new educational enhancement program ignorant of its military bent Damon is forced to lie to them about what

he is really doing which tears at his psyche As Damon grows he and his fellow Spartans are pushed into hostile environments as their handlers test them to gauge the effectiveness of the training Damon s military prowess is called upon again and again his skills and intelligence enabling he and his team of covert operatives to complete seemingly impossible missions But are his handlers treating him more like a machine than a person downplaying the psychological toll these operations are taking on a young boy man While dealing with past memories Damon must confront a monstrous evil in his hometown where he meets the beautiful mysterious Raisa Sokolov seven years his senior He engages soldiers of the shadowy Lashkar Legion suffering grievous injuries in the process Raisa is tasked with helping nurse him back to health but can she be trusted or is she not exactly what she seems The CIA harbors many suspicions about her but is mercurial CIA officer Steve Tolliver a friend or foe

The cabinet Chinedu Nnadi, 2025-09-01 Ethan Ward never thought his words could kill At twenty six he is one of the youngest speechwriters in the White House a quiet architect of lines meant to inspire a nation His job is to polish rhetoric not to touch power But one late night changes everything While drafting remarks for the President Ethan stumbles across a restricted file buried deep within the archives Inside are documents that shouldn t exist evidence of a covert pact between senior cabinet officials and Helios Global a ruthless private military contractor What the papers reveal is more than profiteering It s the quiet outsourcing of America s

security secret deployments manufactured threats and staged crises designed to funnel billions into private hands Before Ethan can grasp the scale of the betrayal the system flags his access Security locks him out Plainclothes agents close in Within minutes he s no longer an employee he s a fugitive Now hunted through Washington D C Ethan must rely on his wits and unlikely allies a burned out journalist a jaded Secret Service agent and a small network of activists who ve long suspected the truth But with every camera badge and press release turned against him escape is nearly impossible As the government brands him unstable Ethan faces a choice protect himself or risk everything to expose a conspiracy powerful enough to ignite endless wars On the steps of Capitol Hill one final broadcast could either save democracy or erase him from history Power hides in shadows Truth demands a voice **InfoWorld** ,1983-06-27 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects Soldier of Fortune ,2008 **InfoWorld** ,1983-08-15 InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects
