Fitzpatrick, 2023-09-07 The adventure is set in South Western France in the aftermath of the Battle of Waterloo It begins in the small town of La Garenne home to the Ducs of Garenne and their ancestors for more than six hundred years La Garenne was a place where nothing much ever happened Even the French Revolution had passed by the town That is until the suspicious death of a national hero a man from the town known to all and the subsequent death of his mentor the Duc de Garenne There was also the unexplained disappearance of a famous hunting dog Hugo Hound once owned by both of these men Then the nation was gripped by the news that a patrol of gendarmes from La Garenne had vanished off the face of the earth at least according to their local commandant A young officer was dispatched from Paris to investigate and discovered that all these events had a common link the dog Hugo Hound To his bewilderment his orders are changed by the Head of Gendarmerie in Paris He must now also find Hugo Hound He finds himself protecting not only Hugo but Hugo's companions including talking bears and lions He also meets once again Catherine whom he had helped rescue from the chaotic aftermath of Waterloo She and her cousin are far more involved with his task than he could ever have imagined On a voyage across France to the safety of the Pyrenees once home to these special beings he and his charges are pursued by evil in the form of a Werewolf once the leader of the lost patrol and the renegade son of the late Duc de Garenne brother to Catherine      **Dog of the Decade** Deborah Thompson, 2021-11-19 What do dogs mean in America How do Americans make meaning through their dogs The United States has long expressed its

cultural unconscious through canine iconography Through our dogs we figure out what we're thinking and who we are representing by proxy the things that we don't quite want to recognize in ourselves Often it's a specific breed or type of dog that serves as an informal cultural mascot embodying an era's needs fears desires longings aspirations repressions and hopeless contradictions Combining cultural studies with personal narrative this book creates a playful speculative reading of American culture through its canine self-representations Looking at seven different breeds or types over the last seven decades readers will go on an intellectual dog walk through some of the mazes of American cultural mythology
