Multifaceted Assessment for Early Childhood Education Robert J. Wright, 2010. Multifaceted Assessment in Early Childhood is ideal for those on upper division undergraduate courses and first level graduate courses in early childhood education assessment. The book covers the various measures used in a range of assessment dimensions and includes valuable information regarding young children with special needs and English Language Learners, which has rarely been touched upon in other textbooks. The chapters are focused on student accessibility and include practical applications of key concepts. Features and benefits: Covers a range of assessment concepts including Formative, uses feedback from learning to adapt teaching, Summative i.e. tests, quizzes, Authentic focuses on complex deeper tasks, Standardized STAR, SAT. Includes coverage of assessment for English language learners and children with special needs, topics that are not provided enough coverage in other books including Wortham, McAfee, Puckett, and Mindes. Wright's writing style grabs and engages the reader in the topic. Two of our reviewers who use Wortham specifically cited Wright's writing style as a reason they would adopt our book. A McAfee reviewer is likely to switch for the same reason.

Teaching Children Physical Education George Graham, 2008. Contains brief vignettes of elementary school physical education teachers demonstrating some of the teaching skills described in the book.
