Morozov, 2015-03-04 Pushing postcolonial studies and constructivist International Relations towards an uneasy dialogue this book looks at Russia as a subaltern empire It demonstrates how the dialectic of the subaltern and the imperial has produced a radically anti Western regime which nevertheless remains locked in a Eurocentric outlook **Russia's Turn to the East** Helge Blakkisrud, Elana Wilson Rowe, 2017-12-29 This book is open access under a CC BY license This book explores if and how Russian policies towards the Far East region of the country and East Asia more broadly have changed since the onset of the Ukraine crisis and Russia's annexation of Crimea Following the 2014 annexation and the subsequent enactment of a sanctions regime against the country the Kremlin has emphasized the

eastern vector in its external relations But to what extent has Russia's pivot to the East intensified or changed in nature domestically and internationally since the onset of the current crisis in relations with the West Rather than taking the declared pivot as a fact and exploring the consequences of it the contributors to this volume explore whether a pivot has indeed happened or if what we see today is the continuation of longer duration trends concerns and ambitions

**The Palgrave Handbook of Development Cooperation for Achieving the 2030 Agenda** Sachin Chaturvedi, Heiner Janus, Stephan Klingebiel, Xiaoyun Li, André de Mello e Souza, Elizabeth Sidiropoulos, Dorothea Wehrmann, 2020-11-30 This open access handbook analyses the role of development cooperation in achieving the 2030 Agenda in a global context of contested cooperation Development actors including governments providing aid or South South Cooperation developing countries and non governmental actors civil society philanthropy and businesses constantly challenge underlying narratives and norms of development The book explores how reconciling these differences fosters achievement of the Sustainable Development Goals

**Russia and Development** Charles Buxton, 2014-12-11 Unique and insightful this book takes a look at Russia's development through the Tsarist and Soviet periods Rather than make the more familiar comparisons between Russia and the West Russia and Development focuses on political and social mobilization in adjacent Central Asia It examines the role of local government and civil society in development as well as popular responses to the policies of Putin and Medvedev aimed at modernizing Russia and forging a new Eurasia alliance in Russia's development neighbourhood The book uses local sources and case studies to pose important questions about the role of empire revolution nationalism and democratization in the twenty first century With unique insider knowledge Charles Buxton ultimately places Russia's current development model in an international context where Russia is increasingly becoming a competitor to Western led development practices Essential reading for anyone interested in the region or development thought and practice

*The Economic Development of Russia, 1905-1914* Margaret Stevenson Miller, 1926

**Russia's Policy Challenges** Stephen K. Wegren, 2016-07-08 Designed for use in courses on contemporary Russia this volume explores Russia's policy dilemmas in three realms international security socio political and socio economic In each of these categories Russia faces daunting problems none of which is likely to be resolved quickly or easily Yet over the longer term the extent to which policymakers are successful in dealing with these challenges will go far in determining Russia's future place in the world how Russians will live and what kind of country Russia becomes Each expertly authored chapter outlines the nature of one major issue traces its evolution and policy developments under the Yeltsin and Putin presidencies and evaluates the effectiveness and prospects of efforts to come to grips with the challenge

**Misinterpreting Modern Russia** Bruno S. Sergi, 2009-07-01 When President Vladimir Putin ascended to the Kremlin at the end of the 1990s he had to struggle with the after effects of Boris Yeltsin's political agenda outrageous corruption endless social injustice and deeply entrenched interests dating back to Gorbachev and beyond From the outset Putin saw his task as leveling out the political scenery Discontent had been building up among

ordinary Russians on these consequences of the dramatically unstable 1990s Stabilization of the political system and cleaning up the widespread corruption were Putin s aims and the Russian people supported him wholeheartedly Many observers in the West were quick to condemn Putin and depict him as an authoritarian dishonest leader who was still linked to the KGB When asked why Russians were supporting the new Kremlin many experts explained that it was a paradox that combined the country s supposed history of tyranny and its people s inclination towards it These explanations shaped the West s understanding of modern Russia and they appear to be unshakeable in cultural circles today Bruno Sergi argues in this new study that the way to know the complete story behind how Putin s presidency has been viewed in Russia is to examine closely the hard realities that conditioned Putin s policies and responses Misinterpreting Modern Russia Western Views of Putin and his Presidency looks beyond the stereotypes to the hard logic of the 1990s and asks a range of provocative questions about the disintegration of the old Soviet empire and the extraordinary riches that have caused so much opportunity and turmoil in recent years

Urbanization and Migration as Factors Affecting Global Economic Development Ushakov, Denis, 2014-11-30

International migration and urbanization are potential solutions for stabilizing the global economy and bolstering local and regional economies However if unregulated they can also put market stability at risk and cause new social problems in both developed and developing countries Urbanization and Migration as Factors Affecting Global Economic Development takes a close look at the impact of urbanization and international migration on the global economy Studying the dynamics of these two phenomena in countries across the world as well as the varying successes of regional regulations this publication is a valuable resource for academics interested in further research in urbanization migration and global economic efficiency as well as policymakers involved in regulating international migration and urbanization

### **Russia And Development Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Russia And Development has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia And Development has opened up a world of possibilities. Downloading Russia And Development provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia And Development has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia And Development. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia And Development. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia And Development, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia And Development has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
