

NAME: _____

Czar vs. Premier

The Russian Revolution involved two powerful political figures: Czar Nicholas II and Vladimir Lenin. They both led the country and, during their terms, made changes in Russia. Match each statement to the person to whom it is attributed.

Write the letter in the boxes.

- He proclaimed the right of self-determination of all people in the Russian empire.
- Determined that Russia should not be left out in the scramble for colonial possessions, he encouraged Russian expansion in Manchuria.
- He implemented his policies to make Russia a truly socialist society till his death in 1924.
- He took direct direct command of the Russian armies during World War I.
- He led the Bolsheviks to victory in the Russian Civil War from 1917 to 1922.
- Under his leadership, the revolutionary government introduced radical land reforms and transformed the country into a socialist state.
- He was forced to create a new government with an elected legislature, called the Duma, which would help him rule.
- He proposed the Hague Peace Conference of 1899 in order to help promote peace in Europe.

Russian Revolution Activities For Students

Russian Revolution Activities For Students:

A Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon

The Blackwell Encyclopedia of the Russian Revolution Harold Shukman, 1994-12-05 This single volume is an authoritative and accessible guide to the background and progress of the Revolution written by a team of over forty specialist contributors Beginning with the radical movements of the mid nineteenth century the Encyclopedia covers the development of the revolutionary movement created by the intelligentsia the condition of the peasants that of the working class and of the army the role of the Tsarist secret police the agents provocateurs the revolutionaries own underground A substantial section is devoted to the emergence of liberation movements among the national minorities of the borderlands The Encyclopedia also considers the formation of Soviet institutions and examines too the emergence of revolutionary culture well before 1917 the avant garde in art and theatre and the relationship to the revolution of three major Russian writers Blok Gorky and Mayakovsky

The Russian Revolution James Mavor, 2016-02-12 The revolutionary movements of 1905 1907 formed the first stage of the Russian Revolution followed by an interval of peace and economic prosperity but the outbreak of WWI and social unrest led to further revolutionary action in 1917 resulting in the abdication and murder of Tsar Nicholas II and the creation of the Soviet Union Originally published in 1928 this volume traces the course and the consequences of the Revolution with Mavor emphasising

the economic aspect of the Revolution as the main cause of the upheaval considering political and military affairs in so far as their relation to the course of economic development This title will be of interest to students of history and economics

Family Networks and the Russian Revolutionary Movement, 1870-1940 Katy Turton, 2017-12-04 This book explores the role played by families in the Russian revolutionary movement and the first decades of the Soviet regime While revolutionaries were expected to sever all family ties or at the very least put political concerns before personal ones in practice this was rarely achieved In the underground revolutionaries of all stripes from populists to social democrats relied on siblings spouses children and parents to help them conduct party tasks with the appearance of domesticity regularly thwarting police interference Family networks were also vital when the worst happened and revolutionaries were imprisoned or exiled After the revolution these family networks continued to function in the building of the new Soviet regime and amongst the socialist opponents who tried to resist the Bolsheviks As the Party persecuted its socialist enemies and eventually turned on threats perceived within its ranks it deliberately included the spouses and relatives of its opponents in an attempt to destroy family networks for good *The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24* Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s **The Russian Revolution** Sheila Fitzpatrick, 2008-02-28 The Russian Revolution had a decisive impact on the history of the twentieth century In the years following the collapse of the Soviet regime and the opening of its archives it has become possible to step back and see the full picture This fully updated new edition of Sheila Fitzpatrick's classic short history of the Russian Revolution takes into account the new archival and other evidence that has come to light since then incorporating material that was previously inaccessible not only to Western but also to Soviet historians Starting with an overview of the roots of the revolution Fitzpatrick takes the story from 1917 through Stalin's revolution from above to the great purges of the 1930s She tells a gripping story of a Marxist revolution that was intended to transform the world visited enormous suffering on the Russian people and like the French Revolution before it ended up by devouring its own children *The Russian Revolution, 1917* Rex A. Wade, 2017-01-16 Rex A Wade presents an essential overview of the Russian Revolution from its beginning in

February 1917 through the numerous political crises under Kerensky to the victory of Lenin and the Bolsheviks in the October Revolution This thoroughly revised and expanded third edition introduces students to new approaches to the Revolution s political history and clears away many of the myths and misconceptions that have clouded studies of the period It also gives due space to the social history of the Revolution incorporating people and places too often left out of the story including women national minority peoples peasantry and front soldiers The third edition has been updated to include new scholarship on topics such as the coming of the Revolution and the beginning of Bolshevik rule as well as the Revolution s cultural context This highly readable book is an invaluable guide to one of the most important events of modern history

The Russian Revolution Russell Trenton, 2015-07-15 This gripping historical narrative relates the circumstances that led to the end of the Romanov Dynasty and the Russian aristocracy the heartrending struggles of the peasants the violence and bloodshed of the revolution and the rise of the new social order and its far reaching consequences that continue to be felt in Russia today In addition to the causes of the Russian revolution and the events that led to civil war the narrative delves into the mindset of the Bolshevik leadership and recounts the profound transformation and industrialization of the economy in the Soviet era

Seven Myths of the Russian Revolution Jonathan Daly, Leonid Trofimov, 2023-02-09 This fascinating volume is a major contribution to our understanding of the Russian Revolution from World War I to consolidation of the Bolshevik regime The seven myths include the exaggeration of Rasputin s influence a purported conspiracy behind the February Revolution the treasonous Bolshevik dependence on German support the multiple Anastasia pretenders to the royal inheritance the antisemitic claims about Judeo Bolsheviks distortions about America s intervention in the civil war and the inevitability of Bolshevism In each case the authors analyze the facts uncover the origins of the myth and trace its later perseverance even in contemporary Russia To assist readers the volume includes three reference guides people terms dates nine maps and twenty nine illustrations The result is immensely valuable for undergraduate courses in Russian history

Gregory L Freeze Raymond Ginger Professor of History Brandeis University [The Background of the Russian Revolution](#) Aleksandr Feliksovich baron Meïendorf, 1929

Me n Mine-Social Science-Term-2 Saraswati Experts, A text book on social

Diplomacy Before the Russian Revolution M. Hughes, 1999-09-30 This book reassesses the transformation of European diplomacy which took place at the beginning of the twentieth century It focuses on the British and Russian diplomatic establishments during the years 1894 1917 in order to illustrate both the heterogeneity and complex nature of the Old Diplomacy The book will ground discussion in a series of case studies designed to illustrate both the benefits and the pitfalls of generalizing about a complicated process of transformation that had a range of social political administrative and psychological dimensions

Makers of the Russian Revolution Georges Haupt, Jean-Jacques Marie, 2017-02-17 Until the publication of this book in 1974 the leaders of the October Revolution remained very badly known This book exhumes the autobiographies written by the men whose actions and ideas have moulded events Unique as sources of documentation on

the Bolsheviks these autobiographies encompassing personal and political information up to 1917 add an important historical dimension They allow the reader to appreciate more accurately the role played by each of the protagonists in preparing and carrying out the Revolution and beyond this they put the Bolsheviks of 1917 in the context of their social milieu and of the circumstances that shaped their minds Historical Dictionary of the Russian Revolution Jonathan Davis,2020-05-15

Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia s involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian Revolution This book is an excellent resource for students researchers and anyone wanting to know more about the Russian Revolution *Emma Goldman and the Russian Revolution* Frank Jacob,2020-11-23

What impact did Bolshevik rule have on Emma Goldmans s perception of the Russian Revolutions of 1917 and why did she change her mind going from defending the Russian Revolution to becoming a crusader against Bolshevism The Russian Revolution changed the world and determined the history of the 20th century as the French Revolution had determined the history of the 19th century Left wing intellectuals around the world greeted the February Revolution with enthusiasm as their hope for a new world and social order and the end of capitalism seemed close However the joy did not last long as the ideals of February 1917 were replaced by the realities of October 1917 and Lenin crushed the revolution during the following Civil War Emma Goldman a famous Russian born American anarchist was one of the intellectuals whose admiration for the revolution turned into frustration about its corruption Emma Goldman and the Russian Revolution discusses her evolving perception of the revolution between 1917 and the early 1920s The analysis of such an intellectual transformation process provides a case study of intellectual and revolutionary history alike adding a closer reading to the research about the famous American anarchist Emma Goldman her transnational life and her role as a revolutionary intellectual The Russian Revolution Anthony Wood,2014-01-14

A popular concise guide one of the clearest available on the Russian Revolution *The Russian Revolution* Alan Moorehead,2017-10-15

A brilliant classic account of the Russian Revolution Still the most readable history of the revolution which sheds light on the Western view of the Soviet Union at the time *The Russian Revolution* Robert Page Arnot,Labour Research Department,1923 **The Russian Revolution and Its Global Impact** Jonathan Daly,Leonid Trofimov,2017-09-01

On the centenary of the Russian Revolution Jonathan Daly and Leonid Trofimov have reinvigorated the

study of a turning point in world history Instead of rehashing the internal dynamics of the Bolshevik takeover the authors have carefully juxtaposed the international ambitions of the Bolsheviks with the Revolution s reception around the world Daly and Trofimov pair their lucid introductory essay with documents from Soviet officials intellectuals in South America W E B Du Bois in the United States and others so readers will quickly realize how revolutionary ideas cross oceans and transcend geopolitical boundaries This volume thus takes a topic once reserved for students of Russian history and places it in a world historical perspective those interested in global history European history and of course those fascinated by events in Petrograd and Moscow will find ample sources of inspiration in this text As the Russian Federation is now exerting its influence on a global scale the time is ripe to consider the Russian Revolution in such broad terms Nigel Raab Loyola Marymount University **The Soul of the Russian Revolution** Moissaye J. Olgin, 1917
