Russian Tattoo A Memoir:

Russian Tattoo Elena Gorokhova, 2016-01-26 In *A Mountain of Crumbs* Elena Gorokhova describes coming of age behind the Iron Curtain and leaving her mother and her motherland for a new life in the United States Now in *Russian Tattoo* Elena learns that the journey of an immigrant is filled with everyday mistakes small humiliations and a loss of dignity Cultural disorientation comes in the form of not knowing how to eat a hamburger buy a pair of shoes or catch a bus But through perseverance and resilience Elena gradually adapts to her new country

How They Made It in America Fiona Citkin Ph.D, 2019-01-28 Immigrants have been coming to America since the beginning of the seventeenth century in pursuit of their dreams and a better life Unfortunately in recent years these very people who have been helping to shape the American Dream for centuries have become targets of abuse Fiona Citkin who immigrated to America from Ukraine examines the individual experiences of eighteen immigrant women from around the world and from all walks of life who today serve as models of success In sharing their unique and complex stories Citkin demonstrates how these women succeeded in America under exceptionally difficult circumstances through drive grit intelligence compassion and leadership skills Citkin also captures their collective wisdom and explores the values that drove them to action and success and presents specific advice that will inspire other success seekers to follow in their footsteps *How They Made It in America* shares the authentic stories of prominent multicultural female immigrants who overcame seemingly insurmountable odds to achieve success in the land of the free and the home of the brave

The Russian Memoir Beth Holmgren, 2003-11-19 Essays map the aesthetic form and social and political functions of the memoir in modern Russian culture

Understanding Gary Shteyngart Geoff Hamilton, 2017-04-15 A survey of the Russian born American author's work and themes questioning identity politics and multiculturalism *Understanding Gary Shteyngart* the first comprehensive examination of Shteyngart's novels and memoir introduces readers to one of the most critically acclaimed and commercially successful contemporary American authors Born in Leningrad in 1972 Shteyngart immigrated to the United States in 1979 attended Oberlin College and the City University of New York and currently teaches in the Writing Program at Columbia University His novels include *Super Sad True Love Story* winner of the Bollinger Everyman Wodehouse Prize *Absurdistan* chosen as one of the ten best books of the year by the New York Times Book Review and Time magazine and *The Russian Debutante's Handbook* winner of the Stephen Crane Award for First Fiction and the National Jewish Book Award for Fiction Geoff Hamilton studies three broad overlapping elements of Shteyngart's work his construction of Russian Jewish identity in the United States his appraisal of communism's imaginative legacy for the wider East European diaspora and former Soviet republics and his representation of the deadening effects of late capitalism Focusing on Shteyngart's themes of the fracturing and decay of ethnic identities the limits and pitfalls of multiculturalism and the decline of privacy and civility against the creeping power of technological mediation Hamilton also tracks the author's playful manipulation of literary traditions and his incisive revision of seminal mythologies of

Russian Jewish and American selfhood Although Shteyngart has sometimes been pigeon holed as an immigrant author working a rather marginal ethnic shtick Hamilton demonstrates that Shteyngart s work deserves attention for its remarkable centrality that is its relevance to core questions of identity formation and beliefs common to globalized societies **Moscow Memoir** James R. Holbrook,2018-01-05 This memoir portrays the ups and downs in the life and work of an American military attach in the Soviet Union from 1979 1981 The Iranian Hostage Crisis the failed attempt to rescue those hostages the Soviet invasion of Afghanistan and the American led boycott of the Moscow Summer Olympics all occurred during this period The author describes both the stark living conditions in Moscow and based partly on his reports from Moscow that the Defense Intelligence Agency declassified takes the reader on information collection trips to various cities in the Soviet Union That travel was in itself an adventure once his wife and he were forced to sleep in a provincial train station The KGB frequently tampered with his auto and personal possessions The authors job was to observe and report military activity that could have an impact on Soviet political military affairs After his earlier assignment with the U S Military Liaison Mission in East Germany where military observation was relatively easy the author became frustrated at the meager opportunities to gather useful military information in the USSR Consequently he became more aggressive in his collection efforts He began traveling more or less incognito about Moscow making civilian acquaintances and due to his language and cultural skills was able to blend into Soviet social gatherings He began to take risks some of which paid dividends Overconfidence however led to an incident in Rovno Ukraine There the KGB set up a swallow entrapment after which a Soviet intelligence officer whom the author had known in East Germany attempted to recruit him as a spy This memoir immerses the reader in an increasingly forgotten Cold War environment that unfortunately may once again be on the horizon of U S Russian relations **Tattoo W.** Patrick Lang,2020-12-31 Here is the epic story of a Walter Lang a man born into a soldier s family who lives a soldier s life What makes this adventure particularly compelling is that this young man who made the traditional stations of the Cross along with his brothers from the epoch hunting with the uncle forging through formal education securing life s love somehow also contrived to be not merely witness to but major player in the grandest events along the timeline of his century most significantly the war that traumatized America the one we did not win the one that contested our most cherished notions of ourselves and that provoked in an Army considered the foremost in the world internal turmoil anguish schism Brigadier General Ret Alan Farrell Virginia Military Institute Travels in Russia, Tartary and Turkey. With a Memoir of the Author, and Numerous Additions and Notes, Prepared for the Present Edition Edward Daniel Clarke,1839 **Soviet Women - Everyday Lives** Melanie Ilic,2020-02-18 Based on an extensive reading of a broad range of women s accounts of their lives in the Soviet Union this book focuses on many hidden aspects of Soviet women s everyday lives thereby revealing a great deal about how the Soviet Union operated on a day to day basis and about the place of the individual within it Including testimony from both celebrated literary and cultural figures and from many ordinary people and from both enthusiastic supporters of

the regime and dissidents the book considers women's daily routines attitudes and behaviours It highlights some of the hidden inequalities of an ostensibly egalitarian society and considers many wider questions including how extensive was the reach of the Soviet regime how modern was it how far were there continuities after 1917 between the new Bolshevik regime and Russia's imperial past and how homogenous and how mobile was Soviet society

Criminal Subculture in the Gulag Mark Vincent, 2020-05-14 Despite growing academic interest in the Gulag our knowledge of the camps as a lived experience remains relatively incomplete *Criminal Subculture in the Gulag* in its sophisticated analysis of crime punishment and everyday life in Soviet labour camps rectifies this From Gulag journals and song collections to tattoo drawings and dictionaries of slang Mark Vincent draws on often overlooked archival material from the Moscow Criminological Bureau to reconstruct a fuller picture of Gulag daily life and society In thematic chapters Vincent maps the Gulag penal arc of prisoners across initiation tests means of communication the importance of card playing punishment rituals and the notorious 1948 52 cyka bitches internal prison war between military veterans and vory v zakone Most importantly this timely examination of crime and punishment in modern Russia also highlights the lines of continuity between the Gulag systems late Imperial Katorga and today's Russian mafia As such this impressively interdisciplinary volume is important reading for all scholars of 20th century Russia as well as those interested in international criminality and penology

A Mountain of Crumbs Elena Gorokhova, 2010-01-12 Elena Gorokhova's *A Mountain of Crumbs* is the moving story of a Soviet girl who discovers the truths adults are hiding from her and the lies her homeland lives by Elena's country is no longer the majestic Russia of literature or the tsars but a nation struggling to retain its power and its pride Born with a desire to explore the world beyond her borders Elena finds her passion in the complexity of the English language but in the Soviet Union of the 1960s such a passion verges on the subversive Elena is controlled by the state the same way she is controlled by her mother a mirror image of her motherland overbearing protective difficult to leave In the battle between a strong willed daughter and her authoritarian mother the daughter in the end must break free and leave in order to survive Through Elena's captivating voice we learn not only the stories of Russian family life in the second half of the twentieth century but also the story of one rebellious citizen whose curiosity and determination finally transport her to a new world It is an elegy to the lost country of childhood where those who leave can never return

Finding God in the Gulag Jeffrey S. Hardy, 2024-10-23 The Soviet Communist Party with help of the secret police attempted to completely eliminate religion from Soviet society by in part imprisoning believers and attempting to re educate them in the labor camps of the infamous Gulag *Finding God in the Gulag* tells the story of how imprisoned Christians nevertheless found ways to pray read scripture sing hymns celebrate Easter and commune with their fellow believers
