

A Comparative Literature Survey of Islamic Finance and Banking

BY TAREK S. ZAHER AND M. KABIR HASSAN

There has been large-scale growth in Islamic finance and banking in Muslim countries and around the world during the last twenty years. This growth is influenced by factors including the introduction of broad macroeconomic and structural reforms in financial systems, the liberalization of capital movements, privatization, the global integration of financial markets, and the introduction of innovative and new Islamic products. Islamic finance is now reaching new levels of sophistication. However, a complete Islamic financial system with its identifiable instruments and markets is still very much at an early stage of evolution. Many problems and challenges relating to Islamic instruments, financial markets, and regulations must be addressed and resolved. In this paper, we provide a comprehensive comparative review of the literature on the Islamic financial system. Specifically, we discuss the basic features of the Islamic finance and banking. Similarly, the Islamic financial system is not limited to banking, but covers financial instruments, financial markets, and all types of financial intermediation.

There is a debate among the Islamic community over the effectiveness of an interest-based banking system. While it is acknowledged that banks play a pivotal role in the development of a country through their role as financial intermediaries, the question is how efficient an interest-based system is in

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
