Disha Experts, 2021-02-04. You must have studied from hundreds of teachers and thousands of books and must have spend countless number of hours preparing and chasing for your GOALS but what most of the students fail to realize is that apart from subject knowledge, correct strategy and effective study techniques are equally important to crack any exam. In the last 15 years I have interviewed 100's of toppers of different competitive exams and realized that students scoreless not because of lack of Knowledge, hard work or intelligence but because of lack of right strategy and effective study techniques. Hard work should give results when coupled with right strategy and effective study techniques. And that's what most of the students miss out. The book revolves around 3 Pillars of Success in any competitive exam which are Self study, Strategy, Study Techniques. The book shares lots of Tips, Techniques to give you a winning edge not only in exams but in life as well.
