Clark, 2024-03-26 Nova Scotia Land Surveyors have experienced many diverse circumstances in their efforts to define and maintain the land tenure system of the Province In the course of their survey work they all have reminiscences and anecdotes of unique experiences distinctive characters historical discoveries bizarre deed descriptions involved technical surveys out of the way locations differing opinions etc that have cropped up over time Many are the tales told during evenings in a wilderness survey camp or wherever surveyors gather at their leisure This anthology is just a small collection of surveyors stories gathered from the authors British Satire, 1785-1840, Volume 2 John Strachan, Steven E Jones, 2020-04-28 This set offers a representative collection of the verse satire of the Romantic period published between the mid 1780s and the mid 1830s As well as two single author volumes from William Gifford and Thomas Moore there is also a wealth of rare unedited material *Representative Modern Short Stories* Alexander Jessup, 1929 *A Study of the Sources of the Tales and Romances Written by Nathaniel Hawthorne Before 1853* Elizabeth Lathrop Chandler, 1926 The Monthly Review, Or, Literary Journal, 1827 Monthly Review; Or Literary Journal Enlarged, 1827 Editors May 1749 Sept 1803 Ralph Griffiths Oct 1803 Apr 1825 G E Griffiths What Comes By Night (The Chronicles of Curesoon - Book Two) R. Jason Lynch, 2017-05-31 After crash landing their airship Curesoon and his companions find themselves upon the wrong side of a vast and deadly desert Their only hope of surviving the perilous journey across the Sea of Fire is a gray skinned shepherdess named Livid As they wind their way along the dusty road toward to the edge of the desert Livid feels uneasy about leaving her old life behind She has only ever known the life as a slave and she is quickly finding her newly gained freedom to be somewhat overwhelming *The Scribbler's Assassination* Eric Johns, 2015-04 E Rick Jones was a penniless author while Fred his twin brother was a successful inventor and entrepreneur Fred's advice on how

Rick could improve his life was never any use because Rick although he dreamed of becoming like his brother in reality was hobbled by his timidity When Rick was accused of being a paedophile he found himself being investigated by the police and hounded by the media The evidence appeared conclusive No one would believe him that he was being framed and everyone he knew including his wife seemed to have a reason for wanting him imprisoned or murdered There was no one he could trust The media were doing their best to stir up a lynch mob and the police weren't interested in offering him protection His brother thought his predicament hilarious One way or another it seemed that his sheltered life was about to come to a painful end

The Scribbler's Revenge Eric Johns, 2015-04-02 E Rick Jones was stoically living out his final days in an old folks home when a young woman dropped a time travelling device onto the tartan rug which encased his withered limbs This did not surprise him because he had written about something of the sort in a short story The opportunity to travel in time presented him with the chance to repair the injustices of a lifetime and revenge himself on the literary establishment which had ignored him The only flaw in his plan was that the people to whom the device belonged wanted it back and the young woman who had stolen it kept reappearing at inopportune moments The one chance he had of survival was to adjust time itself so that the story of his life reached a satisfactory conclusion But if he did that the terrifyingly ruthless owners of the device would immediately know which timeline he was hiding in and come hunting for him Given all the time in eternity there surely had to be a solution
